

REGIONAL DISTRICT OF CENTRAL KOOTENAY

Evacuation Alert Rescind

Date: May 28, 2018

Time: 12:00 hrs

The Regional District of Central Kootenay has been advised of the imminent danger to life and health due to potential flooding of the Slocan River and Little Slocan River has diminished at this time.

The Evacuation Alert, pursuant to Section 10(1)(h) of the Emergency Program Act, to evacuate these areas has, therefore, been rescinded.

In the event that conditions change an Evacuation Alert or Order may be re-issued and the evacuation process will re-commence.
