4	yes, except noisy or smelly operations	8/8/2016 3:10 PM
5	yes no restriction	8/5/2016 2:29 PM
6	Chickens and rabbits under .5, larger animals ok over .5	8/5/2016 8:12 AM
7	yes, no restrictions	7/27/2016 10:32 AM
8	specify number by size of property, cows, horses, alpacas should not be allowed to live on waterfront or water source areas, fencing required to prevent fecal contamination	7/22/2016 3:18 PM
9	I would say yes, provided the property owner understands how to manage the responsibility. I am not qualified to assess the size of farm relative to the type or quantity of animals that a homesteader may keep.	7/12/2016 11:46 AM
10	Yes, all property sizes	7/8/2016 10:51 AM
#	Q1: Shoreacres (Upper and Lower)	Date
1	yes, as long as there is suitable land for each animal. And not CAFO type lots!	11/24/2016 3:11 PM
2	.25 fowl/rabbits w/restricted numbers. 1 acre livestock w/restricted numbers	8/24/2016 11:51 AM
3	4-6 chickens, no pigs	7/28/2016 3:03 PM
4	Limit to number of animals per property	7/28/2016 8:28 AM
5	Yes for properties 2.5 acres or larger. As for chickens rabbits etc, there needs to be a limit on the number a property can have if the property is smaller than 2.5 acres	7/18/2016 10:43 AM
#	Q1: Voykin Subdivision	Date
1	Minimal amount of farm animals	7/22/2016 2:17 PM
#	Q1: Playmor Junction West	Date
1	Yes, but if it's a small lot then only poultry or rabbits and a small number. If the lot is bigger, then only the animals that can be sustained by the size of the lot.	8/4/2016 7:43 AM
2	Larger than 2 acres - poultry or rabbits, larger than 5 acres - livestock	7/9/2016 11:58 AM

Q14 The keeping of farm animal regulations should be revised to look at useable acreage based on slope and distance from sources of domestic water supply:

16	noisy, dirty, like scap yards, dumps, off road vehicles, party venues	8/23/2016 10:51 AM

Electoral Area I Community Land Use Survey

17	Large commercial vehicles are very very dangerous on Pass Creek Road. We are unable to allow children to bicycle on road the last 10 yrs. There is No community togetherness now in Pass Creek-people from citys have moved in and are very disrespectful to property owners. They trespass, drive 90+ km/h on windy pass creek road and are Beligerant. I Do Not Feel Safe Or peacefull anymore as when I grew up. Everyone knew who's property belonged to who and where Respectful. The Now majority of Pass Creek Residents are disrespectful, ruin the nature + Driving quads, Loud and rip up properties. Many original people have moved out and I am seriously thinking to sell and move away from the Drinking, Drug Using people who live in Pass Creek! There is No Safety or Peace. I want a Country + Farm Atmosphere again!	8/23/2016 10:03 AM
18	ones that blend with the community + don't hurt the environment	8/23/2016 9:13 AM
19	anything polluting (noise, environmental)	8/18/2016 9:20 AM
20	Dope sales	8/8/2016 3:21 PM

38	I think I mentioned earlier that we don't mind folks coming across to use our beaches for boating and swimming. My concern is at night when vandalism has taken place - knocked over mailboxes, picnic tables burned on the beach, littering all around the village, skid-marks on our roads, and so on. I'm not sure how we can protect ourselves completely from this, because we can't wall ourselves off. But it is unsettling.	7/12/2016 12:05 PM
39	boating of all types	7/8/2016 1:43 PM

5	Garbage pick up and recycling should be provided	8/23/2016 4:24 PM
6	No Glade imigation district is in violation of procedures, protocols makes unilateral descisions, falsifies documents. They disregard water quality and safety issues. They do not know how to operate the system and have damaged personal properties.	8/23/2016 4:09 PM
7	Not satisfied with the cost of septic systems since most of our area is on septic tanks, there should be ways to repair and install more affordable	8/23/2016 3:21 PM
8	no-logging plans within the glade watershed-its a show	8/23/2016 1:12 PM
9	would like to see an exclusion agent for agriculture in the area	8/23/2016 9:36 AM
10	ok for now	8/23/2016 9:07 AM
11	No the CID should be government run	8/8/2016 3:31 PM
12	N/A	8/8/2016 3:12 PM
13	no, our roads are poorly maintained	8/8/2016 9:22 AM
14	Hiway pavement bad-pot holes. glad ferry access road very narrow in spots (road sluffing down bank	8/5/2016 3:44 PM
15	yes	8/5/2016 2:45 PM
16	yes	8/5/2016 2:36 PM
17	Yes. We chose to live a rural lifestyle and don't mind dealing with our garbage and recycling. I sometimes worry that the lack of that service may be contributing to illegal dumping for some people.	8/5/2016 8:39 AM
18	Yes	7/29/2016 1:00 PM
19	need garbage/recycle pick up	7/29/2016 9:10 AM
20	Somewhat! Water fluctuations are terrible for foreshore erosion (from Brilliant to Glade)	7/29/2016 9:04 AM
21	yes	7/28/2016 4:16 PM
22	yes	7/28/2016 12:55 PM
23	yes	7/28/2016 12:05 PM
24	a community wastewater system would be desirable!	7/28/2016 11:00 AM
25	need road improvements in community	7/28/2016 10:23 AM
26	yes -recycle is free -pay garbage -transit needs improvement more late buses	7/28/2016 9:35 AM
27	Yes	7/27/2016 10:34 AM
28	Yes	7/26/2016 5:09 PM
29	mostly our roads are not well maintained and potholes are increasing in numbers, restrictions on load size are necessary to reduce the amount of damage	7/26/2016 4:54 PM
30	No - Glade needs a 24/7 drinkable water source. The dripping of oil from the Glade ferry remains a concern - the telfa wrap is not effective - just look at the hydraulic system	7/22/2016 3:19 PM
31	Fairly satisfied. If RDCK could lobby BC Highways to improve Glade Ferry Road, which needs some work, that would be great.	7/12/2016 12:09 PM
32	It would be nice to be off a continual Boil Water Advisory.	7/8/2016 1:45 PM
33	Yes	7/8/2016 11:06 AM
#	Q1: Shoreacres (Upper and Lower)	Date
1	I am satisfied with the current system we use	11/24/2016 3:25 PM
2	Okay with exception of winter snow removal	9/1/2016 4:37 PM
3	yes, we really appreciate our untreated private well water and as long as Shoreacres maintains its LARGE lot/acreage size our water/septic systems will work	8/24/2016 11:59 AM
4	satisfied	8/24/2016 11:40 AM
5	yes	8/24/2016 10:23 AM
6	yes	8/24/2016 9:47 AM

Electoral Area I Community Land Use Survey

7	yes	8/23/2016 1:53 PM
8	yes	8/23/2016 1:23 PM
9	we run off well + septic and are perfectly happy with this arrangement	8/23/2016 11:26 AM
10	RDCK should have more information for public access, we need to know what is happening and why	8/8/2016 11:59 AM
11	RDCK should be more informative about community goings on	8/8/2016 10:31 AM
12	Do not want a community water system. Just need RDCK to enforce current zoning bylaws to protect current system as it was created to do.	8/8/2016 9:38 AM
13	There's not much available here	8/5/2016 4:24 PM
14	yes, fire protection, mail service, ambulance service	7/29/2016 1:04 PM
15	Reasonably	7/29/2016 12:53 PM
16	yes but road surfaces could be better	7/28/2016 2:55 PM
17	yes but the community water system needs to be updated	7/28/2016 2:33 PM
18	yes	7/28/2016 11:40 AM
19	yes status quo is just fine	7/28/2016 11:32 AM
20	yes don't need or want more government	7/28/2016 11:20 AM
21	road maintenance/snow removal lacking	7/28/2016 11:06 AM
22	no-snow plowing	7/28/2016 9:52 AM
23	yes, except for schools, the catchment lines need to be reassessed. Ridiculous that we have to send children 25 km away for elementary school.	7/27/2016 10:54 AM
24	More public transit	7/27/2016 10:42 AM
25	Yes, very satisfied	7/26/2016 5:04 PM
26	Yes	7/22/2016 3:15 PM
27	please do not screw with our water it is fine the way that it is	7/22/2016 2:52 PM
28	yes	7/18/2016 10:49 AM
#	Q1: Voykin Subdivision	Date
1	No, I don't feel the bylaws regarding agriculture are being regulated or building code bylaws/permits are being enforced	8/24/2016 3:05 PM
2	yes	8/24/2016 1:23 PM
3	yes	8/24/2016 1:17 PM
4	within the Voykin subdivision yes I am	8/23/2016 11:59 AM
5	yes	8/8/2016 10:25 AM
6	not sure what you are referring to.	8/3/2016 7:28 PM
7	My community water is run efficiently, but I feel it is at the full capacity so I hope no one else drills a well that effects our water	8/2/2016 3:27 PM
8	Yes, my hope is that the community water system we have continues to be operated by the Voykin Improvement District	7/29/2016 12:50 PM
9	yes	7/28/2016 2:09 PM
10	yes	7/28/2016 11:45 AM
11	yes although our area "Voykin Subdivision" is in danger of well and water compromise due to Teck Cominco selling land for residential development within. RDCK and Victoria cannot seem to help with control of preserving the safety of our water source	7/28/2016 10:46 AM
12	No, road maintenance is very poor, snow clearing poor! poor to non-existent street lighting.	7/27/2016 11:11 AM
13	Yes	7/27/2016 10:38 AM

Q43 The Regional District currently requires that construction be located a distance from lakes, rivers and creeks for the purposes of floodplain management. In some areas of the RDCK there are regulations for riparian assessments if construction is less than 30 meters from a creek, river or lake. Should Electoral Area I be subject to similar requirements to protect water quality and habitat?

Total Respondents	55	55

#	Q1: Pass Creek	Date
1	stop logging-make road safer	8/24/2016 2:59 PM
2	Air Quality-mills, smelters, slashburns Private older wood stoves-no catalytic converters Logging indiscriminately-affecting water/soil erosion Auto repair businesses + disposal of toxic waste	8/24/2016 9:19 AM
3	As before-Cut back on hunting licenses, let the herds rebuild, stop clear cut logging	8/23/2016 12:40 PM
4	no	8/23/2016 12:23 PM
5	People new to the area have a try at imposing ideas from the lower mainland. Not the same area or type of management ours is unique.	8/23/2016 12:08 PM
6	People move to the country for a quiet, Nature, Farm atmosphere	8/23/2016 10:13 AM
7	This is Davidoffs special project because he happens to live close by. I think it is a waste RDCK resources & public money for special interest of Davidoff.	8/8/2016 11:49 AM
8	Logging in watersheds	8/5/2016 1:34 PM
9	No	7/29/2016 8:55 AM
10	no	7/28/2016 4:12 PM
11	Use of herbicides to control weeds on right-of-ways	7/27/2016 11:05 AM
12	You have it covered.	7/27/2016 8:54 AM
13	logging in watershed should be stopped	7/22/2016 2:43 PM
#	Q1: Brilliant	Date
1	Fortis should not have full control of headpond lots of fish + species kill everyday from fluctuation level	8/24/2016 10:48 AM

Electoral Area I Community Land Use Survey

2	The crown land area in Brilliant at the confluence of the Kootenay and Columbia Rivers should be restricted to foot access only. Current users are very quickly damaging the eco-system and environment with motorized access, destroying grasses and wildlife habitat and leaving garbage and debris.	8/7/2016 9:45 AM
3	People dumping garbage in the "woods" due to high costs and poor access to dump sites.	7/7/2016 11:40 AM
#	Q1: Thrums	Date
1	Railway safety re: transport of hazardous goods.	10/20/2016 8:48 AM
2	no	8/24/2016 1:10 PM
3	logging our catchment area (water)	8/24/2016 8:45 AM
4	Bee population Bat population	7/28/2016 12:25 PM
5	very, very concerned about the present and continued foreshore loss and erosion and impact on bird nesting habitat	7/28/2016 8:36 AM
6	Yes, I am very concerned and I am glad you are asking these questions. Hopefully to the right people too.	7/27/2016 11:21 AM
#	Q1: Tarrys	Date
1	In the spring the culverts along the gasline that runs through my property + neighbouring properties back up, causing the streams to flood the gasline + lower lying land. Better culvert maintenance would address potential erosion + protect the gasline.	8/5/2016 3:03 PM
2	logging as long as it doesn't involve clear cutting and erosion protection is addressed	7/29/2016 1:17 PM
3	Burning of Waste Materials particular non-organic wastes	7/11/2016 7:27 AM
#	Q1: Glade (Glade and Central Glade)	Date
1	No logging in any watershed period	8/24/2016 1:30 PM
2	allowing large number of livestock confined to a small area such as feedlots as 2261 Hwy 3A, 20+ horses on an acre of land. Enormous manure piles, removing top soils from ALR properties and selling it ex 2261 Hwy 3A	8/24/2016 9:37 AM
3	Pollution from Kalesnikoff sawmill	8/23/2016 4:26 PM
4	water pollution (Nelson sewer system)	8/23/2016 4:20 PM
5	Elk population should be control to protect farmers and hobby farmers Gravel Pits in residential areas	8/23/2016 3:24 PM
6	Nelson, sewer in river	8/23/2016 12:28 PM
7	The application of Celgar sludge on private land-Would like to be ensured that all properties with it's application and recorded that info available to public	8/23/2016 9:41 AM
8	Planned logging in Glade watershed will cause less water retention in soil causing Glade creek to have less water in summer.	8/8/2016 3:15 PM
9	Other access points to Kootenay River other than Glade ie boat docks in Thrums, Shoreacres	7/28/2016 12:59 PM
10	logging in glade creek community	7/28/2016 11:01 AM
11	N/A	7/28/2016 9:37 AM
12	I have a general concern about global environmental degradation, habitat and species loss, and climate change. I'm concerned that Canada's water supply and purity are potentially threatened as a result of agreements with the US.	7/12/2016 12:19 PM
13	Would like to see some limits on the use of motorized watercraft, for example less than 10 hp	7/8/2016 11:19 AM
#	Q1: Shoreacres (Upper and Lower)	Date
1	dogs chasing wildlife and running loose + excessive barking with no bylaws	8/24/2016 1:43 PM
2	Limit engine to electric or 10 horse power or less in Slocan Pool/Ward Bay. Very sensitive wildlife area	8/24/2016 12:04 PM
3	Bring the salmon back	8/24/2016 10:24 AM
4	Motorized Boat use causing increased erosion along foreshore	8/24/2016 9:48 AM
5	Burn Barrels, plastic burning, littering, oil+ paint	8/23/2016 1:56 PM
6	Celgar dumping of bio waste on lands	8/8/2016 9:41 AM
7	making a regulation on H.P. for motorized boats in the Kootenay river when water is high	8/5/2016 3:54 PM
8	not that I know of at this time	7/29/2016 1:05 PM

Electoral Area I Community Land Use Survey

9	Control of noise levels on river ie. loud boats, Control of noise from motorcycles noisy and speeding seadoos on river	7/28/2016 11:10 AM
#	Q1: Voykin Subdivision	Date
1	Federal and provincial governmental stupidity. All decisions are based on money.	9/6/2016 3:57 PM
2	what ever comes from the Fortis Dam is a concern	8/24/2016 1:24 PM
3	none	8/23/2016 12:00 PM
4	Ban the use of all round up type products	8/8/2016 10:27 AM
5	Elk	8/3/2016 7:33 PM
#	Q1: Playmor Junction West	Date
1	Playmor Pit - use pollution ground, noise, dust	8/12/2016 2:23 PM
2	Auto graveyards are displeasing to the eyes!	8/12/2016 2:17 PM
3	No	8/3/2016 10:30 PM

**Q48 Please indicate your level of support
for environmental stewardship activities to
improve the ecological health of the
watershed?**

Answered: 248 Skipped: 5

#	Q1: Pass Creek	Date
1	Cyclist Prohibited "Big Sign" residence of Pass Creek should not be held responsible for a death or injury for a cyclist Logging truck-school bus can't stop in time or pass them Blind corners-very-very-unsafe	8/24/2016 3:01 PM
2	Sorry for the scribbles... my 3 year old got a hold of this :(8/24/2016 2:46 PM
3	I strongly support any efforts to sustain good ecology and support on any way possible the environment. Where there is a ? There needs to be better explainations	8/24/2016 12:10 PM
4	It is my understanding that there is a waste treatment plant beside river in Raspberry/Brilliant area... This should be relocated if possible as city grows	8/24/2016 9:22 AM
5	RDCK can use its influence to stop sale of crown lands in my community to private individuals. RDCK: Work with environment conservation officer and Forestry Ministry to erect signs on crown lands which are easily accessed by irresponsible people who start fires under trees, camp and leave much garbage. Signs should state: " No fires permitted - Fines enforced No Overnight Camping. Haul in, Haul out" or words to that effect. RDCK take stewardship of ball park in pass creek.	8/23/2016 12:45 PM
6	would strongly support Davidoff if he would consider changing the bylaws related to freeing up the land use regulations pertains to lot sizes & family dwellings usage. This is so old fashioned its stupid & descrimatory! Voykin was in the darkages & Davidoff & few other Directors are following down the same path	8/8/2016 11:55 AM
7	People are being overgoverned at all levels No level of government is held accountable. people in the lower mainland can't afford to live their anymore and that's whats going to happen here. without common sense in all levels of government these questions are hard to answer and very concerning. many people also have no common sense that's what is causing these problems. Just watch the news and you can see that most people are not happy with government in general and talking to local people they are very unhappy with the RDCK. The name should be changed to what it really is. Regional Dictatership of Communist Kootenays	8/5/2016 2:25 PM
8	I believe in less government. Thank you for the opportunity to share.	7/29/2016 8:55 AM
9	Generally people tend to regulate themselves in a proper manner. Any minor disputes are handled locally. No need for more regulations. Don't be tempted to over develop area for commercial purposes as these tend to be short term gains if any. Just make what is already in place work better. Where are the initiatives for alternative energy? I use extensive solar for power generation and H2O heating.	7/28/2016 12:47 PM

Electoral Area I Community Land Use Survey

10	Reduce building code requirements in more sparsely built areas to encourage cheaper housing and rents in rural areas, where the risks are contained to a specific building and will not affect neighbors, or compromise safety.	7/27/2016 11:08 AM
11	I am sick and tired of people keeping all old cars, trucks, tractors and machinery. Time for a PLAN. What an eyesore, overseas visitors cannot believe people are allowed to keep a yard that looks like a junk yard.	7/27/2016 8:56 AM
12	Do not over engineer. Do not create more bureaucracy. Don't legislate our water use. Do not sell our water. BC is unique, it is not like other provinces. People want to enjoy what is here now as it is. We don't want to pay more and are generally happy with what we got. Government wants to build and get bigger - we do not have to.	7/27/2016 8:48 AM
#	Q1: Brilliant	Date
1	More control on Residential with Industrial businesses as the Brilliant C-can by the highway	8/24/2016 10:49 AM
2	The RDCK should carefully and seriously consider restricting access to the crown land area in Brilliant at the confluence of the Kootenay and Columbia Rivers. Current users are very quickly damaging the eco-system and environment with motorized access, destroying grasses and wildlife habitat and leaving garbage and debris.	8/7/2016 9:47 AM
3	Floodplain management of Columbia and Kootenay River junction. Becoming a very high use fishing, trail walking and now camping area. It would be a very good idea to install a pit latrine to control the waste and a garbage can.	7/26/2016 3:09 PM
#	Q1: Thrums	Date
1	Good luck on getting some coherent and useful results from your survey! There are a number of questions that I found confusing ie. were not clear (noted by a ?) Please focus on implementing some of the item in the survey and not harassing small water systems which function reasonable well.	8/24/2016 2:01 PM
2	This survey had terms not well explained. Confusing? Policy changes should not be done based only on such a survey as the true feeling of the individual is hard to understand from such broad questions. This is a good start but a second one should be done after the list is condensed. Or town Hall meetings should be held. There needs to be a way to set true feelings of all residents not just the loud ones.	8/24/2016 10:59 AM
3	should carefully consider applications for subdivision. This could change the rural setting risking other development. Energy efficient upgrades or new builds are not an affordable option. Government grants and reduction of cost are needed. Community gardens are needed. Food banks should be provided area as well. Programs for compost/worm compost/rain barrels/ low flush toilets/Radon reduction for business//commercial buildings. Noise bylaws for commercial business near residential homes ie Lumber yard. Desperate need of high speed internet in Tarrys/Thrums for private and business . Unavailable for years and not in future plans for Telus or Shaw.	7/28/2016 12:32 PM
#	Q1: Tarrys	Date
1	Very bad timing on this survey- when most people are on vacation or busy with summertime activities. I don't have the time necessary to fill this out completely.	8/24/2016 11:04 AM
2	Economic benefits need to be balance with environmental benefits	8/23/2016 3:46 PM
3	We are being groomed by the new world order to control every facet of our lives till we can't breath. The right the (?) and manage our own land will soon be in jeopardy. We are heading for a dictatorship. Land owners need to act responsibility. We need to treat our resources with respect.	8/23/2016 1:38 PM
4	Let's establish where each resident lives. There is controversy in our area. Is is Central Glade or Terry's? There is no distinct boundary. It should be established and posted!! There should be a concentrated under brush clean up on all old recreational roads & surrounding areas used for hiking etc. This is very difficult but garbage dumping needs to be enforced and heavily fined.	8/8/2016 11:29 AM
5	Making trails, roads, public lands, non motorized greatly impacts people with mobility issues that like to use said areas. Private land is just that! Private, Public Land is for everyone not just the eco freako hippies and their only use it the way we want to use it mentality. There are plenty of access points to river that don't cross private land and they should be maintained and posted so water can be used by people who don't own land adjoining it. If you own land beside public land or water expect people to use the public land and make noise or have fun doing it, and don't bitch about it, you bought there. Deal with it or MOVE!	8/5/2016 4:16 PM
6	I have some concern around traffic noise from the highway especially at night. Alos until recently there was no road sign at one of the two enterances to my road. Now there is one sign. Better signage for side roads like mine including advance markers would make entering and exiting my road's other secondary/side roads like it much safer	8/5/2016 3:08 PM
7	Lot sizes of .75 hectare by legal subdivision as opposed to .8 for a family member to many lots in this area, with multi dwellings all in the name of "poor family member" Let owners pay a development fee and have a proper survey done at .75 hectare and stop the abuse of the so called family clues the places, junk buildings on lots.	7/12/2016 2:12 PM
#	Q1: Glade (Glade and Central Glade)	Date

Electoral Area I Community Land Use Survey

1	Please disallow feedlot situations. Animals living in confined, condensed areas is stressful on the animals, on the property and on the surrounding neighborhood community. As these animals are living like this for recreational purposes of their owners do not believe they belong on Agricultural land reserve property. Especially when top soil is sold off the property such as 2261 Hwy 3A.	8/24/2016 9:41 AM
2	Thirty years ago there was no elk and all small farmers planted gardens and now we can't afford fencing but yet live on ALR properties and end up buying our vegetables, fruit etc.The RDCK should get rid of all the elk and not support the hunters that live in towns or build fences to enclose the animals on the mountains. The RDCK should take a stand on gravel pits in residential areas in most cases it affect, 2 to 3 people is not an excuse to say we can't do nothing because it is controlled by mines act	8/23/2016 3:29 PM
3	Dave Bowen 250-399-4222	8/23/2016 11:07 AM
4	ALR should be reduced to 5 acre lots. Soils in the area do not support agriculture but acreage should remain large enough to support domestic animals, cows, chickens, horses.	8/23/2016 9:10 AM
5	Allowance to plots of land to be taken smaller than 2 acres. A simple and stream lined process for breaking down parcels of land into smaller lots.	8/18/2016 9:14 AM
6	Received this late Hope it counts K Rayne 250-304-8407	8/8/2016 3:34 PM
7	Please retain ALR status in all areas that now have it. Once agriculture lands are subdivided & developed for residential on light industrial they are lost forever for the use of local security.	8/5/2016 2:42 PM
8	Thank you for seeking community feedback. It is extremely important.	7/28/2016 1:02 PM
9	If you want people to fill this out make it less complicated less government is good government	7/28/2016 10:25 AM
10	please keep tax increases to a minimum! thanks	7/28/2016 9:38 AM
11	I see a lot of the questions imply the need for increased government services which always translates to increased taxation. How about a survey on approaches to decrease taxation?	7/27/2016 10:36 AM
12	The absolute largest threat to our community is the proposed logging by ATCO and Kalesnikoff in the Glade watershed. The could/would dramatically change the face of our community in a most negative way with no one but the logging companies themselves watching over this process, it can only spell bad news for our watershed, infrastructure and the tranquility of our area. Furthermore with no protection from government at any level in the event of a disaster that impacts our watershed (we would be expected to work something out with the logging company) it makes sense that the only course of action for many Glade residents is no logging at all. It is appalling that our governments have placed us in this situation.	7/26/2016 5:00 PM
13	I thought of something from an earlier question about services. It is this: I want to get my water tested annually and preferably through a local service provider. This is apparently not possible. I have to somehow take the sample, get it quickly to a courier service, and have it sent either to Edmonton or Alberta within 24 hours, so the sample is still "living". If you could help us with this, that would be fabulous. Also, courier services are bad and getting worse, not that I expect RDCK to do anything about it, but maybe, you could look at specific necessary businesses (water and soil testing services, couriers, for examples) and give them some kind of incentive for setting up here. Thank you for asking our opinions about the future of our community.	7/12/2016 12:27 PM
#	Q1: Shoreacres (Upper and Lower)	Date
1	If you can swimme in the Kootnay River in Nelson BC. Why not below Nelson. Why is the water contaminated so if you can't swimme below Nelson How can eat the fish	8/24/2016 11:48 AM
2	Land owners should have option to use a holding tank for household waste water and contract with city of Nelson or Castlegar for wastewater disposal. I believe the present bylaw disallowing holding tanks is based on an assumption that a property owner will dispose of waste water in an improper way. This questionare obviously well intended is very poorly constructed.	8/23/2016 11:20 AM
3	As far as developing the area, industrial and commercial should be concentrated in the Castlegar area where there is a lot lacking. We're struggling to keep our public schools open in our communities, shouldn't this be a priority? We have chosen a certaibn lifestyle, of we wanted smaller lot sizes or commercialism, we'd of moved to a subdivision. This area is Shoreacres need to be protected to preserve a lifestyle;	8/12/2016 2:29 PM
4	A meeting should have been held explaining these questions before doing this survey.	8/8/2016 12:01 PM
5	-The protection and lack of negative human impaction to the Slocan pool, forest and waterfront must be stressed here as important. Wildlife corridor & high diversity habitat, native heritage sites, low impact- recreation to interact and enjoy this very special and unique place -Water Use: in this decade of drought there seems to be no discussion or sense of urgency about reducing wasteful water use. ie. watering of sidewalks (driveways, midday irrigation using sprinklers, industrial water use) RDCK must take a leadership role here, too.	8/8/2016 9:47 AM

Electoral Area I Community Land Use Survey

6	The Kootenays is the most beautiful place to live. We are truly blessed. What ever is done to improve our lives should not in any way compromise the beauty + integrity of our home + the wildlife we share it with.	8/5/2016 4:28 PM
7	We moved to Shoreacres from a city the advantages and longevity in this quiet healthy environment are numerous.	7/28/2016 2:59 PM
8	Enforcement of current existing Bylaws should NOT be dependent on neighbor reporting neighbor there are blatant infractions that a bylaw officer could easily spot should time be given to a community drive through. Preserving our current lifestyle is very important-we like the country for fresh air, clean water and privacy and peace and quiet, Encroachment on this lifestyle is very apparent. Keeping our clean water is critical yet newer members in our community seem totally oblivious-what they are doing affects the entire community. Need Bylaw education and ENFORCEMENT!	7/28/2016 11:17 AM
9	do not allow grow ops (pot) or otherwise legal or not	7/28/2016 8:31 AM
10	Dog control is a major nuisance in our community. I would like to see something change. Dog control is a problem in this community. Is there not already a bylaw in place? Also a concern is schools. In this community (Shoreacres) we are forced to drive or bus our small children 24 km each way to get to public school when Brent Kennedy and Mount Sentinel are 4 km away. The catchment lines need to be re-configured. I would also like to see a controlled railway crossing at the only entrance and exit of Shoreacres. That is a huge safety concern. There are enough residents living here to warrant a safer railway crossing. I am very strongly opposed to a public boat launch/access to the water. We have a great amount of traffic as it is coming to look around for a place to launch their boats and people end up trespassing and being disrespectful.	7/27/2016 10:59 AM
11	The raising and lowering of the water on an hourly basis on the Kootenay River (Brilliant Head Pond) should never be allowed. The documents signed by Cominco in the 1950s was to do with water control during spring flooding and not for Columbia Power to do as they please. This should be stopped now. There is no respect for the public usage of waterways for the name of profit.	7/26/2016 5:08 PM
12	Please do something about how bylaw operates, allowing people to complain and then hide unknown behind a bylaw officer is childish when in reality no one complies with the bylaws. It tears communities apart and gets everyone pissed off with one another. Maybe try and get them to speak to each other and talk about it like how adults would do it. Cheers :)	7/22/2016 2:55 PM
#	Q1: Voykin Subdivision	Date
1	I don't really have much hope for any of this as our governments are out of control and out to lunch without a care for anything but big business. My land is intentionally being flooded by people all over the world. This obviously means no more room for wildlife or locals. I am very sad for what I have already seen.	9/6/2016 3:59 PM
2	Pretty disappointed that the neighborhood chickens that were penned weren't actually allowed to be there. My kids loved riding their bikes by and seeing them. Maybe one day.	8/24/2016 1:20 PM
