# Building Plumbing Official

### *Job Description*

---

**TITLE OF IMMEDIATE SUPERVISOR:** Building Manager

**TITLE OF IMMEDIATE SUBORDINATES:** N/A

**DEPARTMENT:** Development Services

---

#### **SUMMARY OF POSITION:**

Reporting to the Building Manager, the Building/Plumbing Official reviews building plans and permit applications for Building Code and Bylaw compliance, as well as inspecting buildings under construction for conformity with approved plans, building code, bylaw and other applicable enactments. As the Building/Plumbing Officials often work alone and in remote locations, this position also demonstrates a high level of professionalism and integrity when representing the RDCK.

#### **TASK DESCRIPTION:**

As a member of the Building Plumbing team, responsibilities include, but not limited to:

1. Responds to inquiries from builders, property owners and the public, relating to building requirements deriving from RDCK and British Columbia Provincial Statutes.
2. Reviews and approves plans and building permit applications by coordinating approvals and issuance for building permit in compliance with the Building, Plumbing and Fire Codes, other Provincial and Municipal legislation, local bylaws and permits. Ensures results are communicated to the owner, contractor on site and design professionals.
3. Calculates building permit fees in accordance with the RDCK Building Bylaw.
4. Inspects construction for compliance with B.C. Building Code, RDCK Building Bylaw requirements and conformity with approved plans in compliance with the relevant inspection schedule.
5. Provide advice and support to proponents to ensure ongoing compliance with BC Building Code and RDCK Building Bylaw.
6. Monitors illegal construction and/or applicable bylaw infractions and takes appropriate action to rectify, including but not limited to issuing Stop Work orders.
7. Responds to inspection calls and enquiries regarding procedures, interpretation of code and building bylaw.
8. Issues tickets under the Municipal Ticketing Information Bylaw authority.
9. Works with planning staff in the review of development proposals and permits.
10. Maintains up-to-date knowledge of building technology and associated regulations and ensures that requires certifications are current.
11. Initiates action relative to Building Bylaw infractions.
12. Operates motor vehicles as required to travel to construction sites.
13. Performs other duties as required.

#### **REQUIRED QUALIFICATIONS**

- Trade qualification in carpentry and/or plumbing.
- Post-Secondary diploma in Science or Building Science preferred.
- Level 1 Certification with the Building Officials Association of British Columbia or eligibility to attain.
