### Recycling Depots

- Burton (248 Caribou Creek Rd, transfer station)
- Castlegar (Ootischenia Landfill)
- Crescent Valley (1285 Hwy 6)
- Edgewood (8855 Hwy 6)
- Nakusp (1420 Hots Springs Rd, Nakusp landfill)
- New Denver (602 Slocan Ave)
- Silverton (406 Hume St, Village office yard)
- Slocan (8875 Harold St, transfer station)
- Winlaw (5686 Hwy 6)

### RDCK has joined Recycle BC

In 2020 RDCK Recycling Depots joined the Recycle BC (RBC) program. RBC is a Product Stewardship Program mandated to collect and recycling residential printed paper & packaging.

All RDCK Recycling Depots received upgrades to their collection equipment, security, supervision and new hours of operation.

New materials including plastic bags and Styrofoam are now accepted at the core depots in Castlegar, Crescent Valley, Slocan, New Denver, Nakusp and Edgewood. Visit the RDCK's website to find out about these new materials and how to sort your recycling when brought to a depot.

### Curbside Service

RBC curbside service is provided by the Village of Nakusp and the City of Castlegar. Portions of Electoral Areas I and J also receive curbside collection service. For more information about curbside recycling contact the local municipality or visit [www.recyclebc.ca](http://www.recyclebc.ca).

### Areas without Curbside Service

Other areas in the West Sub-Region utilize recycling depots. All materials, must be sorted into their appropriate categories for deposit. See the RDCK website for details.

West Sub-Region

# USER GUIDE

## USER FEES

Effective February 1, 2021. User fees subject to change without notice.

MUNICIPAL SOLID WASTE	Sites with a scale	Sites with no scale
Mixed Waste - Per container (first 2 containers)	\$3.00 ea	\$3.00 ea
Mixed Waste - Minimum charge for weighed loads	\$6.00	\$6.00
Mixed Waste (Non Compacted)	\$125.00/tonne	\$30.00/m <sup>3</sup>
Construction, Demolition and Renovation Waste	\$200.00/tonne	\$50.00/m <sup>3</sup>
Land Clearing Debris Including Tree Stumps	\$200.00/tonne	\$50.00/m <sup>3</sup>
CONTROLLED WASTE		
Controlled Waste specified in Schedule C not otherwise specified in Schedule A-2	\$125.00/tonne	<sup>(1)</sup> \$30.00/m <sup>3</sup>
Asbestos	\$250.00/tonne	Not Accepted
Bulky Waste	\$220.00/tonne	Not Accepted
Municipal Wastewater Biosolids	\$50.00/tonne	Not Accepted
Noxious Weeds (not Source Separated)	\$125.00/tonne	\$30.00/m <sup>3</sup>
Rubble	\$44.00/tonne	\$66.00/m <sup>3</sup>
Furniture and Cabinetry	\$125.00/tonne	\$30.00/m <sup>3</sup>
Untampered Soil	\$18.00/tonne	\$27.00/m <sup>3</sup>
RECYCLABLE MATERIALS		
Excluded ODS-Containing Products	\$15.00 ea	\$15.00 ea
ODS-Containing Products and Non-ODS Containing Products	No Charge	No Charge
Reusable Products	\$125.00/tonne	\$30.00/m <sup>3</sup>
Scrap Metal	\$40.00/tonne	\$20.00/m <sup>3</sup>
Wood Waste	\$55.00/tonne	\$22.00/m <sup>3</sup>
Yard & Garden Waste - Per contained (first 2 containers)	\$2.50 ea	\$2.50 ea
Yard & Garden Waste - Loads ≤ 2.5 m <sup>3</sup>	<sup>(2)</sup> \$5.00/load	<sup>(2)</sup> \$5.00/load
Yard & Garden Waste - Loads > 2.5 m <sup>3</sup>	<sup>(2)</sup> \$50.00/tonne	<sup>(2)</sup> \$10.00/m <sup>3</sup>
Tires off rim	\$3.00 ea	\$3.00 ea
Tires on rim - inner diameter ≤ 16" or marked P, LT, or T	\$15.00 ea	\$15.00 ea
Tires on rim - inner diameter > 16" and not marked P, LT, or T	\$55.00 ea	\$55.00 ea
Tires on rim marked LS	\$120.00 ea	\$120.00 ea

<sup>(1)</sup>Fee applies only to categories of Controlled Waste that are accepted at Transfer Stations.. Refer to Schedule C for Controlled Waste acceptance at Transfer Stations. Special handling fees may apply. Contact the RDCK for more information. <sup>(2)</sup>Fee to dispose of Yard & Garden Waste is waived during the month of May.

**User fees may be doubled for: loads that contain more than 10% recyclable material; unsecured loads; containers larger than the allowable size (121 L); and loads of one category of waste which are contaminated with another.**

## CONTROLLED WASTE

The disposal of certain materials is strictly controlled due to the challenges they present at the landfill. Some materials may be bulky and therefore require significant space for disposal. Other products may present risks to human or environmental health if they are not disposed of properly. **Consult the full text of the bylaw for more information if you need to dispose of any material in the list below.**

- Animal feces
- Asbestos
- Municipal Wastewater Biosolids
- Buckets
- Bulky waste
- Condemned foods
- Dead animals & parts
- Dusty material
- Food processing waste\*
- Fuel tanks
- Industrial waste
- Infested vegetation
- Land Clearing Debris\*
- Large Load
- Municipal Wastewater Residuals
- Noxious weeds
- Rubble
- Waste soil

\*Quantities greater than 1.5 m<sup>3</sup> accepted at Landfills only

## PROHIBITED WASTE

Some materials cannot be disposed of at RDCK facilities because of the unacceptable risks they pose to human or environmental health. Some prohibited wastes, however, may be accepted for recycling. If you need to dispose of any of the materials listed below, contact the Recycling Council of BC (1-800-667-4321 or [www.rcbc.bc.ca](http://www.rcbc.bc.ca)) or visit [www.bcrecycles.ca](http://www.bcrecycles.ca) for information on where to take the product.

- Antifreeze
- Auto hulks
- Biomedical waste
- CFC/HFC appliances
- Free liquids
- Gas cylinders
- Gasoline
- Hazardous or Reactive Chemicals
- Hydrocarbon contaminated soil
- Ignitable materials
- Lead-acid batteries
- Loads that are smoldering or on fire
- Out-of-area waste
- Paint products
- Pesticide products
- Petroleum by-products
- Pharmaceutical products
- Radioactive material
- Rechargeable batteries
- Steel cable not properly secured
- Solvents and flammable liquids
- Specified risk material
- Tight-head barrels
- Tires (marked C, E, G, L or IND)
- Used oil/oil containers/oil filters
- Waste sharps

**All Controlled Waste items and Prohibited Waste items are defined in the Resource Recovery Facilities Regulatory Bylaw. Consult the full text of the Bylaw to see if your product qualifies.**

## PRODUCT STEWARDSHIP MATERIALS

Product stewardship programs require producers/retailers of designated materials to collect and recycle their products at end-of-life. These programs are provincially-regulated and apply to all areas of BC. Designated materials should be brought to collection depots—not disposed of with regular garbage or recycling. Call the RCBC hotline at 1-800-667-4321 or visit [www.rcbc.ca](http://www.rcbc.ca) to find out where to take any of the following:

- Antifreeze
- Batteries
- Beverage containers
- Electronics and electrical products
- Flammable liquids
- Gasoline
- Light bulbs
- Packaging & Printed Paper
- Paint products/solvents
- Pesticides
- Pharmaceutical products
- Tires
- Used oil/containers/filters
