

Emergency Water Restrictions - South Slokan Water System

Issued: May 13 2022 2:06PM PDT by RDCK Water Notifications

Locations: **Work**

Effective immediately, emergency water restrictions are being implemented in the South Slokan Water System due to depleted reservoir levels due to high water demand from suspected leak in the distribution system.

Instructions

The RDCK is asking water users to watch for any recent evidence of leakage and inform our Operations Department by calling the 24-hour emergency number at 250.352.1504. Please limit water use to indoor use only (i.e. drinking water, food preparation, no irrigation, minimal laundry/sanitary).

Additional Information

The RDCK appreciates your cooperation in adhering to the water restrictions, and will notify users once regular water use can resume. For more information, please visit our website at www.rdck.ca/water, or contact the RDCK at (250) 352-8161 or 1-800-268-7325 ext. 8161.
