

Water Conservation Measures Reduced

Issued: Jul 20 2021 9:20PM PDT by RDCK Water Notifications
Locations: **RDCK**

Effective immediately, Stage 2 Water Conservation Measures in the Fauquier Water System have been rescinded due to wildfire mitigation efforts.

Instructions

Instructions will be provided by local emergency operations crews.

Additional Information

The Regional District of Central Kootenay appreciates your cooperation in adhering to the Water Conservation Measures. Water Conservation Measures will be reissued once wildfire mitigation efforts are no longer required. For more information about water conservation, please visit our website at www.rdck.ca/water, or contact the RDCK at (250) 352-8171 or 1-800-268-7325 ext. 8171.
