

## Water Conservation Measures Reduced

Issued: Sep 16 2022 4:06PM PDT by RDCK Water Notifications

Locations: [Work](#)

Effective immediately, Stage 2 Water Conservation Measures in the Erickson Water System have been reduced to Stage 1. As a reminder, Stage 1 conservation measures are in place from June 1st to September 30th annually.

### Instructions

Water Conservation Measures for **Stage 1** include:

- Watering of lawns, gardens, trees, and shrubs **ONLY** between 7 pm - 10 am.
- Watering using drip irrigation, a watering can, and or hand held hose permitted at any time.

### Additional Information

The Regional District of Central Kootenay appreciates your cooperation in adhering to the Water Conservation Measures. For more information about water conservation, please visit our website at [www.rdck.ca/water](http://www.rdck.ca/water), or contact the RDCK at (250) 352-8161 or 1-800-268-7325 ext. 8161.
