

Water Conservation Measures Reduced - Lister

Issued: **Sep 13 2023 10:08AM PDT** by **RDCK Water Notifications**

Locations: **Generated**

Effective immediately, Stage 3 Water Conservation Measures in the Lister Water System have been reduced to Stage 2.

Instructions

The well remediation/pump repair project was successful, and water supply is able to return to normal operating volumes. The RDCK appreciates your cooperation and patience during this time.

Due to the region remaining under Provincial drought Level 4, Stage 2 Water Conservation Measures will remain in effect until further notice.

Water Conservation Measures for **Stage 2** include:

- Watering of lawns, gardens, trees and shrubs is **ONLY** permitted between 6:00 am-10:00 am and 8:00 pm-10:00 pm.
- Watering of gardens, trees and shrubs by watering can or hand-held hose is still permitted anytime.

Additional Information

The Regional District of Central Kootenay appreciates your cooperation in adhering to the Water Conservation Measures. Stage 2 Measures will remain in effect until further notice. Stricter Water Conservation Measures may be required if demand increases significantly, or if hot and dry weather persists.
