

Water System Flushing/Maintenance Notice

Issued: May 17 2023 10:24AM PDT by RDCK Water Notifications

Locations: RDCK

The RDCK will be conducting flushing and maintenance on the South Slokan Water System on the following dates: May 31st, 2023. Water users may experience reduced water pressure between the hours of 8:00am to 4:00pm.

Instructions

Please refrain from doing laundry during the day. After 4:00pm, please flush water through the tap until it is clear and odourless prior to consumption.

Additional Information

This work is being performed to remove any solids built up in the distribution system. There is potential for elevated turbidity or cloudiness in the water during flushing. We apologize for any inconvenience this might cause, and appreciate your cooperation and patience during this time. For more information contact the RDCK (250) 352-8161 or 1-800-268-7325 ext. 8161, or visit our website at www.rdck.ca/water.
