Submission Date Apr 1, 2026 2:40 PM

Date of Application: Feb 15, 2026

Which Recreation Commission are you applying to for Financial Aid:

Recreation Commission No. 9 - Electoral Area A

Are you applying for Financial Aid on behalf of an organisation/society?

Yes

Organisation/Society Name: Boswell Memorial Hall Society

President/Contact Name: Rosemarie Lowe

Contact Name: Rosemarie Lowe

Contact Phone Number:

Mailing Address: Kitchen washing sink upgrade.

Contact Email:

Project Title:

Project Type:

Operational Project

New or Continuing Project:

New

Amount of Financial Aid Requested (Operational):

1393.05

Project Start Date: Apr 26, 2026

Project End Date: Jul 26, 2026

Estimated Number of Participants: > 50

Will there be a Membership or Admission Fee? No

Brief Description of Project: Boswell Memorial Hall has an Industrial Kitchen used by many groups, the community, TAPS, other activities in the hall and large dinner functions. The hand washing sink and cupboard has not been upgraded. A Stainless Steel Sink with cupboard is needed to complete the kitchen. This sink would be much easier to clean.

Project Location: Boswell Memorial Hall

Please provide a brief bio/credentials of the main project leader(s): The hall's Directors are the main group overseeing the project. We have a maintenance person. Greg Place has done most of the maintenance-- electrical work, building, repairing, building, working on our water system etc. there are also all the volunteers that help.

What is the purpose and goal(s) of the project? The addition of the stainless steel sink with stainless back splash, new tap allows the ability to keep the whole area to be cleaned, disinfected and much more efficient. All of the kitchen from counters to deep cleaning sinks and dishwasher are all covered stainless steel.

How does this support and help to develop the local economy or add value to the community? The kitchen will now all be completely stainless steel. This adds value to the kitchen. All groups will be pleased for upgrading and cleanliness.

Does this project compete with already established groups or businesses? No

Will this proposed activity/project be advertised and if so, how? Our president's monthly letter will contain news and pictures. Our website boswellhall.ca will definitely have it included. Members also get emails from activities going on our hall.

How will support from the Recreation Commission be recognised? Definitely mentioned in Reports, emails, website and of course everyone that work in the kitchen. community at large will be informed.

Do you have a partner for this project? No

Have you accessed other funds for this project? No.

Project Title: Recreation Trail Maintenance

Project Type: Operational Project

New or Continuing Project: Continuing

Amount of Financial Aid Requested (Operational): 8400.00

Project Start Date: Jun 1, 2026

Project End Date: Dec 31, 2026

Estimated Number of Participants: < 10

Will there be a Membership or Admission Fee? No

Brief Description of Project: Routine trail maintenance on 50+ kilometers of non motorized recreation trails. Primary work involves clearing the trail corridors of downfall trees after wind events and winter snows. Trails are raked, sightline improvements, water runoff management, line trimming/brushing and more. Trail infrastructure (signage post, registration boxes, kiosks, benches and bridges) examined for wear, overhead hazards and any needed repairs. Recreation trail availability in our communities support well being, social connections, physical vitality and measurable economic value to host communities. Our continuing mission is to provide a safe and well managed trail facility that matches the world class trail networks throughout the region.

Project Location: Riondel, Crawford Bay, Gray Creek

Please provide a brief bio/credentials of the main project leader(s): Farley Cursons - The ESTBA Executive Director, project Manager and Trails Specialist has been managing trails on the East Shore for 17 years. Promoting the East Shore as a visitor destination and resident attraction on the international stage is a responsibility. Farley takes very seriously. Sustainability is the top priority to ensure a balance between the environmental protection, local economy and social opportunity.

What is the purpose and goal(s) of the project? To ensure a variety of safe and well signed recreation trail opportunities for a hikers, walkers and cyclists. With an increase in usage as well as seasonal storms there is an increased need to ensure the trails are clear and safe for the increase in users.

How does this support and help to develop the local economy or add value to the community? The East Shore has seen a significant increase in trail use over the last few years. Utilizing the networks through the summer, shoulder seasons and even winter. Additionally, there are many new residents who indicate that the nature access provided by trails is one of the reasons they chose to live here. Long time residents are appreciative of the newer trails we have built.

Does this project compete with already established groups or businesses? No

Will this proposed activity/project be advertised and if so, how? We advertise our activities mostly through Social Media, membership newsletter and occasional newspaper articles.

How will support from the Recreation Commission be recognised? Recognition is mostly through social media, newspaper articles, community meetings, and people we meet on the trails. We also have a number of information kiosks that indicate the RDCK as a supporter.

Do you have a partner for this project? No

Have you accessed other funds for this project? Not at this time

Are you applying for Financial Aid on behalf of an organisation/society? Yes

Organisation/Society Name: Crawford Bay & District Hall & Parks Association

President/Contact Name: Leona Keraiff

Contact Name: Nicole Schreiber

Contact Phone Number:

Mailing Address:

Contact Email:

Project Title: Crawford Bay Community Park Improvements 2026

Project Type: Operational Project

New or Continuing Project: Continuing

Amount of Financial Aid Requested (Operational): 2253.00

Project Start Date: Jun 1, 2026

Project End Date:	Sep 30, 2026
Estimated Number of Participants:	< 10
Will there be a Membership or Admission Fee?	No
Brief Description of Project:	Upgrade and restore park items which are worn out, damaged and/or need replacing. As activity at the park is increasing every year we want to keep the park looking attractive and continuing to be a happy place for all users. Sunday Markets are a new addition starting May 10, 2026. Hopefully more first time visitors and vendors will be here.
Project Location:	15990 Highway 3A Crawford Bay
Please provide a brief bio/credentials of the main project leader(s):	The Board of Directors of the Crawford Bay & District Hall & Parks Association. We will purchase and install all items. We are a group of seven volunteers who collectively have over 40 years of service to the community through this Association.
What is the purpose and goal(s) of the project?	Since our Mission is to provide safe and welcoming gathering spaces for community connection and recreation to the residents and visitors of the East Shore of Kootenay Lake we will: buy new flags to top the newly purchased metal flag poles, buy a new picnic table to replace the wooden rotted one near the merry go round, buy timers and fertilizer for the soccer field (water conservation and healthier grass), buy basketball nets, buy a new pickleball net and we finally need to buy a wheelbarrow. A useful tool that the park has been without for too long
How does this support and help to develop the local economy or add value to the community?	An attractive park is a magnet to the travelling public and to people in general. The Sunday Markets are new this year and will hopefully be profitable for the vendors and worthwhile to the attendees. Folks visiting the park wander next door to Red's Bakery, Kokanee Chalets, Laurie's Fairy Store, the Green Bubble Company (which is possibly opening their new mini golf this year). The Artisans, cafes and shops all benefit from park visitors exploring our community.
Does this project compete with already established groups or businesses?	No
Will this proposed activity/project be advertised and if so, how?	We have a Facebook page:@crawfordbayhall and a website: www.cbhall.ca where our community comings and goings are shared. There is much advertising about the Sunday Markets, the Starbelly Jam Music Festival and Canada Day celebrations. All of which take place in the Crawford Bay Community Park.
How will support from the Recreation Commission be recognised?	We have our social media sites: Facebook and our website as mentioned above. We write monthly in the local newspaper...Kootenay Mainstreet which is being sold in more locations now than just here on the East Shore. We will definitely acknowledge the Recreation Commission as we have done numerous times in the past.
Do you have a partner for this project?	No
Have you accessed other funds for this project?	The Soccer team will help us pay for the fertilizer.

Project Title: Crawford Bay School Sports

Project Type: Operational Project

New or Continuing Project: New

Amount of Financial Aid Requested (Operational): 1145

Project Start Date: Sep 7, 2026

Project End Date: Apr 30, 2027

Estimated Number of Participants:	10 - 20
Will there be a Membership or Admission Fee?	Yes
If you answered 'Yes' to the above question, how much will the Membership or Admission Fee be?	50
Brief Description of Project:	<p>The PAC of Crawford Bay School would like to support the secondary students to be able to join the BC School Sports network, to allow them the experience of playing on a team and competing with other schools. This hasn't happened since 2022, and all the school community would very much like to revive our membership. The process requires purchasing membership with BC School Sports as well as purchasing and upgrading our sports equipment. The funds for this endeavour fall outside of the operational budget of our school so as a PAC we fundraising to cover costs. Once we have joined BC School Sports we can host games and travel to other schools to play. In order to host games, we also need regulation level volleyball/Badminton nets and balls, so that is also part of our ask.</p>
Project Location:	Crawford Bay School
Please provide a brief bio/credentials of the main project leader(s):	<p>Julie Morin is a member of our PAC and also our volunteer parent coach. She brings years of experience in volleyball and is committed to offering kids at our small rural school, a taste of being part of sports team and the adventures and skills kids acquire along the way. Julie has the support of the parent and teacher community in making this happen for our secondary kids. Teacher sponsors include Kristy Winger and Joanna Strom.</p>
What is the purpose and goal(s) of the project?	<p>To support the secondary student athletes at Crawford Bay School to be able to join participate in sports teams and compete. This BC School Sports membership would enable students to travel to other schools for games, and also to showcase our own school as a Host for other schools. Having a Regulation Standard net for volleyball and badminton would be of great benefit for training purposes as well as allowing our school to host games (it's a requirement to host).</p> <p>We want to equip our kids with skills and confidence as athletes and having an official school team boosts morale and gives the kids community a tangible goal and incentive to train and practice hard.</p>
How does this support and help to develop the local economy or add value to the community?	<p>All secondary student athletes deserve the opportunity to play their sport in a greater network. We believe tremendous value will be created by our school having the support to join the BC School Sports Network, and the benefits it brings (insurance and other tournament fees). Rec 9 support would help our kids feel that their community was behind them in their athletic endeavours. Playing on a sports team is hugely important for many kids, and a reason many kids from the East Shore move across the lake to Nelson schools is that it affords them more of this kind of opportunity. We would love those kids to stay and play for Crawford Bay School teams! When asked by SD8 staff for ways they would improve their school experience, many of our kids spoke about wanting more sports opportunities.</p>
Does this project compete with already established groups or businesses?	No

Will this proposed activity/project be advertised and if so, how?

Advertised within the school community and then to the wider community when we host games and supporters are welcome and encouraged.

How will support from the Recreation Commission be recognised?

In posters and email correspondence and in intros to any games hosted in Crawford Bay.

Do you have a partner for this project?

Yes

If you selected 'Yes' or 'Other', please provide further details:

We the PAC partner with the administration of Crawford Bay School

Have you accessed other funds for this project?

We are asking the NDCU for help with the remainder of the funds needed. Parents will be responsible to fees associated with travel/accommodation for away games. Crawford Bay school will pay for substitute teachers to replace teachers who need to miss some class time in order to accompany kids to away games.

Project Title: Insurance for 2026-2027

Project Type: Operational Project

New or Continuing Project: Continuing

Amount of Financial Aid Requested (Operational): 835

Project Start Date: Apr 1, 2026

Project End Date: Mar 31, 2027

Estimated Number of Participants:

30-40

Will there be a Membership or Admission Fee?

No

Brief Description of Project:

Our Society volunteers operate a twice-weekly Thrift Shop and Community Market, which is well attended by local residents and visitors. Our income only covers basic operations and the insurance grant enables us to manage and develop our Thrift Shop and Community Market operation.

Project Location:

235 Fowler Street, Riondel, BC

Please provide a brief bio/credentials of the main project leader(s):

Chris Hamilton - Chair and Sales Lead, Financial Manager background
Shirley Wyngaard - Vice-chair and Art Manager, Artist and Arts & Education Council background
Julie March - Director and Thrift Shop Manager, Community Volunteer & Merchandising background
Paula Bailly - Secretary, Community Volunteer and Administrative background
Kurtis Staven - Director, Artisan and Vending / Merchandising background
Note - more detailed info is provided on our Business Plan attached

What is the purpose and goal(s) of the project?

Liability coverage for the bi-weekly Thrift Shop, Community Market and self-serve Coffee & Tea bar, which are all managed by Society volunteers.

How does this support and help to develop the local economy or add value to the community?

Our Thrift Store accepts donations of household items from the East Shore community. This keeps usable household goods and clothing available for our community and out of the landfill. Our Community Market supports and promotes local vendors and artisans. Patrons enjoy socializing at our self-service Coffee & Tea bar.

Does this project compete with already established groups or businesses?

No

Will this proposed activity/project be advertised and if so, how?

Yes - on Facebook and other social media, on local bulletin boards and by word-of-mouth.

How will support from the Recreation Commission be recognised?

We will post a "Thank You" in our Thrift Shop and on social media.

Do you have a partner for this project?

No

Have you accessed other funds for this project?

No

Amount of Financial Aid Requested (Operational):

3000.00

Project Start Date:

Jan 1, 2026

Project End Date: Dec 31, 2026

Estimated Number of Participants: > 50

Will there be a Membership or Admission Fee? No

Brief Description of Project: The Gray Creek Hall keeps up a number of costs to make it available for recreational purposes. Some people have a fee, some do not. The Hall sponsors some events, keeping it available to all ages. We maintain the grounds and beach, through hiring a grass cutter, keeping up the outhouses, clearing trash, snow plowing and driveway gravel etc. for the many people who use it year round. Heat, light, water system, liability insurance, booking and cleaning stipends and maintenance supplies are ongoing to maintain the hall.

Project Location: Gray Creek Hall, beach and grounds

Please provide a brief bio/credentials of the main project leader(s): The Hall has eleven board of directors, all of which help with different aspects of the propertyHall. Janet Schwieger, treasurer. has a long relationship with the Hall.

What is the purpose and goal(s) of the project? to maintain the hall and grounds for use by the community.

How does this support and help to develop the local economy or add value to the community? Our main fundraiser are up to a max of 5 weddings a year, plus smaller rentals throughout the year. The weddings bring a sizeable economic benefit to the East Shore. We are a community hall first, and venue second for private rentals, so have strict rules about uses, timing of bookings etc., so as not to stress the community with night time noise, less access to the beach, etc. Our log hall is unique, 114 years old, with beach and nature.

Does this project compete with already established groups or businesses? No

Will this proposed activity/project be advertised and if so, how? We keep a Hall facebook page, and send out emails from time to time to community members keeping them informed about the hall.

How will support from the Recreation Commission be recognised? via facebook and emails.

Do you have a partner for this project? No

Have you accessed other funds for this project? Our own rentals pay for many of the costs and help with a reserve for future large projects.

Submission Date: Apr 17, 2026 5:06 PM

Date of Application: Apr 17, 2026

Which Recreation Commission are you applying to for Financial Aid: Recreation Commission No. 9 - Electoral Area A

Are you applying for Financial Aid on behalf of an organisation/society? Yes

Organisation/Society Name: Riondel Golf Club Society

President/Contact Name: Barry Hughson

Contact Name:

Contact Phone Number:

Mailing Address:

Contact Email:

Project Title: Internet and telephone service

Project Type: Operational Project

New or Continuing Project: Continuing

Amount of Financial Aid Requested (Operational): 1353.85

Project Start Date: May 1, 2026

Project End Date: Oct 15, 2026

Estimated Number of Participants:

> 50

Will there be a Membership or Admission Fee?

Yes

If you answered 'Yes' to the above question, how much will the Membership or Admission Fee be?

630.00

Brief Description of Project:

Internet service fees and telephone service fees for the golf pro-shop. These services are vital to the operation of the golf course pro-shop for providing information to patrons and collecting green fees and membership fees.

Project Location:

Riondel

Please provide a brief bio/credentials of the main project leader(s):

Mark Easton is the Treasurer and is a retired Civil Engineer / Construction Project Manager. Mark completes applications for grant funding for the golf course.
Mike Stenhouse is the Office Manager and has been in that position for two years.

What is the purpose and goal(s) of the project?

To provide internet service fees and telephone service fees for golf course operations.

How does this support and help to develop the local economy or add value to the community?

This funding will assist our Not-for-Profit organization to operate and maintain the existing 9 hole golf course in Riondel for the enjoyment of the local population and for visitors to the area. Visitors enjoy being able to go to Riondel and enjoy the lake, camping and have a golf course all in the same area.

Does this project compete with already established groups or businesses?

No

Will this proposed activity/project be advertised and if so, how?

No. The golf course advertises our golf course, but this project will not be specifically mentioned.

How will support from the Recreation Commission be recognised?

We post a list of our sponsors and donors in the pro-shop and have a sponsor's wall where 2'x3' signs of our sponsor's logos can be placed. If RDCK would like to have a sign on our wall, we would be happy to include it.

Do you have a partner for this project?

No

Have you accessed other funds for this project?

No

Project Title: Commercial Liability Insurance for South Kootenay Lake Community Service Society

Project Type: Operational Project

New or Continuing Project: Continuing

Amount of Financial Aid Requested (Operational): 1760

Project Start Date: Jun 19, 2026

Project End Date: Jun 18, 2026

Estimated Number of Participants: > 50

Will there be a Membership or Admission Fee? No

Brief Description of Project: South Kootenay Lake Community Service Society (SKLCSS) is a non-profit organization operating on the East Shore of Kootenay Lake that focuses primarily on Seniors and Youth Programming but also acts as an umbrella agency that sponsors and administers community funded programs and projects that foster and promote community and economic stability and growth. Our East Shore Youth Program addresses the needs of local youth in the area by organizing events and workshops for youth that provide opportunities based on diverse youth input.

Project Location: RDCK Area A, East Shore of Kootenay Lake, Wyndell to Riondel

Please provide a brief bio/credentials of the main project leader(s): The Project leader is Garry Sly. He is the Executive Director for South Kootenay Lake Community Service Society. He has been with the organization for 9 years and oversees youth and seniors programs on the East Shore.

What is the purpose and goal(s) of the project? The purpose and goal of our East Shore Elder Care Program is focused on helping and supporting our local seniors so that they can age in place, remain in their own homes for as long as possible and to help seniors access programs and services. We run a Social Meals program that operates every Tuesday and Thursday and rotates between 4 community Halls. This program helps foster social connections and combats social isolation. We also provide some meal delivery for seniors that are unwell or unable to attend the program in person. We also operate the East Shore Better at Home program that provides rides for seniors to medical appointments. Our East Shore Youth Program addresses the needs of local youth in the area by organizing events and workshops for youth that provide opportunities based on diverse youth input. Youth are able to travel to events and workshops in Creston and Nelson and this helps to expand social networks and provides access to events outside of the East Shore. We also want to be able to continue to sponsor projects and programs on the East Shore that are initiated by Community Members.

How does this support and help to develop the local economy or add value to the community? This adds value to the community by supporting senior members of our community and providing them with opportunities to connect and participate in local programming that enhances their social connections, and promotes nutrition and combats social isolation. Our programming also provides access to transportation to appointments that are critical for their health and well-being. Our Youth programs provide access to transportation to events and workshops in local communities. The program focuses on skill building, team building, community responsibility and care, and larger opportunities to have fun together in and out of The East Shore. The goal of the program is to educate and empower youth and to improve their well-being, education, physical and mental health. Our intention is to encourage youth as citizens and masters of their own experience, strengthening the resilience of youth in the face of life's challenges, and enabling all young people to meet their basic needs associated with a successful transition to adulthood.

Does this project compete with already established groups or businesses? No

Will this proposed activity/project be advertised and if so, how?

Our programs are advertised in the local community newspaper, online on social media and on local bulletin boards.

How will support from the Recreation Commission be recognised?

Support from the Recreation Commission will be recognized in our local community newspaper and in our local advertising.

Do you have a partner for this project?

No

Have you accessed other funds for this project?

Yes, we will be using funds from our project fund-raising accounts.

Our East Shore Elder Care Program is focused on helping and supporting our local seniors so that they can age in place, remain in their own homes for as long as possible and to help seniors access programs and services.

Project Location:

Area A, East Shore of Kootenay Lake

Please provide a brief bio/credentials of the main project leader(s):

The Main Project Leader is Garry Sly. He is the Executive Director for South Kootenay Lake Community Service Society. He has been with the organization for 9 years.

What is the purpose and goal(s) of the project?

The purpose of our society is to provide programming for youth and seniors in our community. Our programs provide a wide range of opportunities to strengthen and make new social connections, to reduce social isolation, to provide transportation options and to provide workshops and training for youth as well as fun experiences.

Our other main purpose is to be able to sponsor programs and projects that are initiated by community members that will benefit our community.

How does this support and help to develop the local economy or add value to the community?

This support helps develop the local economy and adds value to the community since it allows our board to continue to oversee and provide essential support to programs that strengthen community connections by providing an integrated support network for both seniors and youth. The SKLCSS board provides a solid, reliable foundation from which to sponsor various projects and programs that range from Social programs, that provide consistent ongoing benefit to our senior and youth population, to Geothermal exploration projects that have the potential to greatly benefit our community in the future.

Does this project compete with already established groups or businesses?

No

Will this proposed activity/project be advertised and if so, how?

Our programs and projects are advertised in the local community newspaper, on bulletin boards and on social media.

How will support from the Recreation Commission be recognised?

Support will be recognized in our local community newspaper and on Social media.

Do you have a partner for this project?

No

Have you accessed other funds for this project?

Yes, we will be using some of our fund-raising money.
