SLOCAN VALLEY SUMMER CAMPS

Slocan Valley Recreation offers quality summer camps for children ages 6-12 providing a fun, safe place to play and meet new friends. These experiences nurture creativity, build self-esteem, improve social interaction and increase physical stamina. All of our summer camps share a similar daily routine where campers will enjoy arts and crafts, games, outdoor activities and opportunities to unleash their imagination with the designated theme for each week.

Additionally, there are "Specialized Camps" which include at least 2 hours each day of specific instruction in the designated activity, providing a high quality experience for the campers. The specialized program is taught by local professionals whom we are very excited to work with this year. Slocan Valley Recreation is excited to offer 2 weeks of specialized camps this summer! It is sure to be a memorable summer camp experience for everyone!
