Number: 200-04-01

CHAPTER: ADMINISTRATION

SECTION: OCCUPATIONAL HEALTH & SAFETY

SUBJECT: SMOKE FREE VENUES

BOARD RESOLUTION: 866/05 469/16

EFFECTIVE DATE: 22 OCT 2005

REVISION DATE: 18 AUG 2016

POLICY:

866/05

It shall be policy of the Regional District of Central Kootenay to recognize that smoking tobacco and being exposed to second-hand smoke are health hazards. To encourage healthy behaviour and to promote smoke-free sports venues, including outdoor sports fields, children's playgrounds and in front of entrances to sports facilities, the District, through installation of "tobacco –free zone signage", promotes the right of individuals to work and play in a smoke-free environment, discourages the use of tobacco products in these locations, and encourages the modeling of positive, healthy behaviour to our youth.

POLICY AMENDMENT

CHAPTER: ADMINISTRATION

SECTION: OCCUPATIONAL HEALTH & SAFETY

SUBJECT: SMOKE-FREE VENUES

BOARD RESOLUTION: 469/16

REVISION DATE: 18 AUG 2016

POLICY

It shall be policy of the Regional District of Central Kootenay to recognize that smoking tobacco and being exposed to second-hand smoke are health hazards. To encourage healthy behavior and to promote smoke-free areas, including outdoor sports fields, children's playgrounds and in front of entrances to all RDCK-owned and operated facilities, the District, through the installation of "tobacco –free zone signage", promotes the right of individuals to work and play in a smoke-free environment, discourages the use of tobacco products in these locations, and encourages the modeling of positive, healthy behaviour for our public.
