#### **QUESTIONS & ANSWERS:**

1. **Question:** Could you please confirm that the instruction indicating the scope includes the east side parking area accessed from Cedar Street refers specifically to the angled parking stalls adjacent to the NDCC, and not the stalls on the opposite side directly behind the Nelson Curling Club?

**Answer:** Correct

2. **Question:** Could you please confirm whether the repositioning and realignment of all 105 existing parking stall barriers (wheel stops) is intended to occur after the power sweeping of the entire parking area? From our professional perspective, realignment would typically occur prior to power sweeping to avoid uncovering debris after the area has already been cleaned.

**Answer:** MOVED to facilitate cleaning and placed after cleaning

3. **Question:** Please also confirm that all services are to be performed after hours and that the parking area will be fully closed for the duration of the work.

**Answer:** The work should be completed during the hours we are not open. Hours of operation are Monday - Friday 5:30am-9:30pm, Saturday 8 -pm, Sunday 9-7pm.

4. **Question:** Would it be possible to request a short extension to the closing date, as the current four-day turnaround has provided limited time for proposal development?

**Answer:** Yes, this can be extended by one week past the deadline.

Except as modified by Addendum No. 1 issued May 5, 2026 the Request for Quote documents, shall remain unchanged.
