PART 1 – INVITATION & INSTRUCTIONS TO BIDDERS

1 Invitation & Instructions to Bidders

The definitions set out in Section 3.1 apply throughout this document except when expressly stipulated or the context otherwise clearly indicates.

1.1 Executive Summary

The purpose of this Request for Quotations (RFQ) is to solicit qualified contractors to provide parking lot maintenance and line painting services at the Nelson and District Community Complex (NDCC). The work encompasses both the west side parking area accessed from Hall Street and the east side parking area accessed from Cedar Street, including all parking stalls, fire lanes, and the through-lane connecting the Civic and NDCC arenas.

The scope of work is focused on restoring safety, visibility, and regulatory compliance across the parking facilities through comprehensive surface preparation and repainting. This includes power sweeping and washing of all paved areas to remove accumulated dirt, sand, and debris, followed by proper disposal of waste materials. Contractors will also be required to reposition 105 existing parking stall barriers (wheel stops) located in the west parking lot to ensure proper alignment and functionality.

Subsequent to surface preparation, the contractor will repaint parking infrastructure using appropriate traffic-grade materials. This work includes repainting demarcation lines for 135 parking stalls in the front and rear parking lots, directional arrows, accessible parking stencils in accordance with local regulations, curbing, speed bumps, and designated “No Parking” areas within fire lanes. All painting must be completed using specified colors (white, yellow, and blue traffic paint) to meet safety standards and ensure long-term durability.

Through this RFQ process, the Regional District of Central Kootenay (RDCK) seeks a contractor with demonstrated experience in parking lot maintenance, pavement marking, and traffic paint application.

Submissions will be evaluated based on qualifications, demonstrated ability to meet the scope of work, proposed schedule, and overall value. The selected contractor will be expected to complete the work efficiently, minimize disruption to facility operations, and deliver a finished product that enhances the safety, accessibility, and visual clarity of the NDCC parking areas.

The RDCK is seeking Quotes for a Contract to supply the Services herein described on or before May 15, 2026.

The Contractor shall ensure compliance, on their part and on the part of all of their Sub-Contractors, with the *Workers Compensation Act* and the Occupational Health and Safety Regulations thereunder.

Prior to supplying any of the Services in the Contract, the Contractor must provide the RDCK with the Contractor's WorkSafe BC number, and must pay and keep current during the term of the Contract, all assessments required by WorkSafe BC in relation to the supply of the Services or the Contract Price. In any case where pursuant to the provisions of the *Workers Compensation Act*, an order is given to the Contractor, or one of their Sub-Contractors in respect to their operations under the Contract to cease operations because of failure to install or adopt safety devices or appliances or methods as directed, or required by the *Workers Compensation Act* or Regulations there under, or because conditions of immediate danger exist that would be likely to result in injury to any person, and the Contractor is not available or capable of removing the danger to life or equipment resultant from the Contractor's operations then the RDCK may issue a Written Notice to the Contractor and may immediately arrange for the removal of this danger and the Contractor shall be liable for the costs of such arrangements, but such act by the RDCK shall not relieve the Contractor of responsibility for injury, loss of life, or damage which may occur in that situation.

In the event that the Contractor refuses or fails to comply with an order under the *Workers Compensation Act* or Regulations thereunder, so that the supply of the Services is stopped, the RDCK may, upon written notice, terminate the Contract and proceed in accordance with Section 3.12-RDCK's Right to Terminate the Contract.

The Contractor shall, during the term of the Contract, maintain Workers Compensation Insurance in order to fully protect both its employees and the RDCK as may be required by law during the term of the Contract and shall on each anniversary date of the Contract, provide the RDCK with proof of payment of claims in good standing with WorkSafe BC by way of a WorkSafe BC Clearance Letter.

3.7 Health and Safety

The Contractor shall be solely and completely responsible for ensuring safety of all persons and property during the supply of the Services. This requirement shall apply during the Contract period and not be limited to normal working hours.

The Contractor shall be liable for any and all injury or damage which may occur to persons or to property due to any act, omission, neglect or default of the Contractor, or of their employees, workmen or agents.

The Contractor shall satisfy the Manager that a safety program has been developed in accordance with the Occupational Health and Safety Regulations, and Safe Work Practices and Procedures of WorkSafe BC and shall incorporate all of the RDCK's operating requirements and restrictions.

The Contractor shall assign an individual responsible and authorized to supervise and enforce compliance with all safety regulations required in the supply of the Services.

3.8 Intent of Contract Documents

The intent of the Contract Documents is that the Contractor shall provide all materials, supervision, labour, equipment and all else necessary for or incidental to the proper supply of the Services described in the Specifications and all incidental work to supply the Services. This is not an Agreement of employment. The Contractor is an independent Contractor and nothing herein shall be construed to create a partnership, joint venture or agency and neither party shall be responsible for the debts or obligations of the other.

3.9 RDCK Representative's Authority

The RDCK Representative will observe the supply of the Services in progress on behalf of the RDCK. The RDCK Representative will have the authority to stop the supply of the Services whenever such stoppage may be necessary, in their opinion, to ensure the proper supply of the Services in accordance with the provisions of the Contract.

3.10 Notice to Proceed

Following the execution of the Contract by the Contractor and the provisions of the required Irrevocable Commercial Letter of Credit and insurance policies, a written Notice to Proceed with the supply of the Services will be given to the Contractor by the RDCK. The Contractor shall supply the Services at the time specified in the Contract or, if applicable, begin supplying the Services on the first day of the Term and shall proceed with the supply of the Services regularly and without interruption thereafter throughout the Term, unless otherwise directed in writing by the Manager or RDCK.

3.11 RDCK's Right to Obtain Services from Other Suppliers

If the Contractor should refuse or fail to supply adequate workmanship, products, or machinery and equipment for the scheduled supply of the Services, or neglects to supply the Services properly, or fails to perform any of the provisions of the Contract, then the RDCK, without prejudice to any of its other rights under the Contract, may notify the Contractor in writing, that the Contractor is in default of their contractual obligations, and instruct him to correct the default within forty-eight (48) hours.

If the correction of the default cannot be completed within forty-eight (48) hours as specified, the Contractor shall be considered to be in compliance with the RDCK's instruction if it commences the correction of the default within the specified time, and in addition provides the RDCK with a schedule that is acceptable to the RDCK in its sole discretion for such correction and completes the corrections in accordance with such schedule.

If the Contractor fails to comply with the provisions of this section the RDCK may, without prejudice to any other right or remedy they may have, obtain the supply of Services from another supplier and may deduct the cost thereof from the payment then or thereafter due the Contractor, or may without notice to the Contractor deduct the cost from the amount secured under the Irrevocable Commercial Letter of Credit.

3.12 RDCK's Right to Terminate the Contract

If the Contractor should:

- a) be adjudged bankrupt, or make a general assignment for the benefit of creditors, or if a receiver is appointed on account of their insolvency, or
- b) fail to make sufficient payments due to their Sub-Contractors, or suppliers, or
- c) disregard laws or regulations that apply to the supply of the Services, or the RDCK's instructions, or
- d) abandon the supply of the Services, or
- e) otherwise violate the conditions of the Contract, the RDCK shall, by written notice, instruct the Contractor to correct the default within forty-eight (48) hours.

If the default is not corrected within forty-eight (48 hours), then the RDCK may, without prejudice to any other right or remedy they may have, terminate the Contract. If notice has been given to the Contractor under Article 3.11-RDCK's Right to obtains Services from other suppliers, then a further notice and time to correct the default is not required and that in addition to correcting the default RDCK may without further notice proceed to terminate the Contract.

If the RDCK terminates the Contract under the conditions set out above, the RDCK shall be entitled to:

- a) obtain the supply of the Services by whatever method is deemed expedient but without undue delay or expense;
- b) withhold any further payments to the Contractor until the supply of the Services is finished;
- c) upon completion of the supply of the Services, determine the full cost of obtaining the supply of the Services including compensation to the RDCK for this additional service and a reasonable allowance to cover the costs of any corrections required under the guarantee, and charge the Contractor the amount by which the full cost exceeds the unpaid balance of the Contract Price; or if such cost of obtaining the supply of the Services is less than the unpaid balance of the Contract Price, pay the Contractor the difference; or if such cost of finishing the supply of the Services is greater than the unpaid balance deduct the difference from the Irrevocable Commercial Letter of Credit.

It is also understood and agreed by and between the parties to the Contract, that in the event of a strike or lockout of the employees of the RDCK taking place during the term of the Contract, during which the

supply of the Services may be interrupted or blocked, that the provisions of the Contract requiring payment by the RDCK to the Contractor shall be renegotiated on the basis of the Contractor's actual proven costs for the period.

It is also understood and agreed by and between the parties to the Contract, that in the event of a strike or lockout of the employees of the Contractor taking place during the term of the Contract, during which the supply of the Services may be interrupted or blocked, that the RDCK shall at its option and without penalty or further payment to the Contractor, have the right to unilaterally terminate the Contract, and to remove the Contractor, their employees and equipment from the Site.

3.13 Contractor's Right to Stop Supply of Services or Terminate the Contract

If the supply of the Services should be stopped or otherwise delayed for a period of ninety (90) days or more under an order of any court, or other public authority, and provided that such order was not issued as the result of any act or fault of the Contractor or of anyone directly or indirectly employed by him, the Contractor may, without prejudice to any other right or remedy they may have, by giving the RDCK written notice, hold the RDCK in default.

The Contractor may notify the RDCK in writing that the RDCK is in default of its contractual obligations if the RDCK, subject to requirements of these Contract General Conditions fails to pay to the Contractor when due, any amount due and owing to the Contractor under the Contract. Such written notice shall advise the RDCK that if such default is not corrected within thirty (30) calendar days from the receipt of the written notice the Contractor may, without prejudice to any other right or remedy it may have, stop the supply of the Services and terminate the Contract.

If the Contractor terminates the Contract under the conditions set out above, they shall be paid for all Services supplied and for any loss sustained upon products and construction machinery and equipment, with reasonable profit up to the time that the Contract is terminated. If the Contractor terminates the Contract this is their sole remedy and the RDCK will not be liable for any additional costs or for any loss of profit following termination.

3.14 Sub-Contractors

The Contractor agrees to preserve and protect the rights of the RDCK with respect to any supply of Services or work performed under the Contract and shall:

- a) enter into Contracts or written Agreements with the Sub-Contractors requiring them to supply Services and perform work in accordance with and subject to the terms and conditions of the Contract Documents; and
- b) be as fully responsible to the RDCK for acts and omissions of the Sub-Contractors and of persons directly or indirectly employed by them as for acts and omissions of persons directly employed by the Contractor.

The Contractor therefore shall incorporate all terms and conditions of the Contract General Conditions into all Sub-Contract Agreements they enter into with their Sub-Contractors, insofar as they are applicable.

The Contractor agrees to employ only those Sub-Contractors proposed by him in writing in Schedule 4-Proposed Sub-Contractors, and accepted by the RDCK for such portions of the supply of the Services as may be designated.

The RDCK may, for reasonable cause, object to the use of a proposed Sub-Contractor and require the Contractor to employ another that is acceptable to the RDCK. Under these circumstances, the RDCK will advise the Contractor, in writing, of its objection to a Sub-Contractor. The Contractor shall provide the names of alternate Sub-Contractors for that part of the supply of the Services, each of whom must be acceptable to the RDCK. The Contractor and the RDCK will then agree as to which new Sub-Contractor shall be used.

Nothing contained in the Contract General Conditions shall create any contractual obligation between any Sub-Contractor and the RDCK.

Sub-Contractors shall not further sub-contract any portion of the supply of the Services that is the subject of their sub-contract without prior written approval of the RDCK, which may not be withheld unreasonably.

3.15 Private Land

If applicable, it shall be the Contractor's responsibility to ascertain the boundaries within which the supply of Services must be confined. The Contractor shall not enter upon lands other than those provided by the RDCK for any purpose without obtaining prior written permission of the land-owners and occupiers. A copy of the written permission is to be provided to the RDCK prior to entry upon private lands.

The Contractor shall not enter upon lands owned by others on which the RDCK has easements or rights-of-entry without having received the prior written authorization of the RDCK for such entry. It shall be the Contractor's responsibility to ascertain from the RDCK the conditions on which easements of rights-of-entry have been granted on private lands and to abide by these conditions throughout.

3.16 Dispute Resolution

All claims, disputes or issues in dispute between the RDCK and the Contractor shall be decided by mediation or arbitration if the parties agree, or failing agreement, in a court of competent jurisdiction within the Province of British Columbia. All procedures for the resolution of disputes arising in relation to the Contract shall be governed by the laws of British Columbia, Canada.

In the event that the parties agree to arbitration, the arbitration shall be governed by the rules of the British Columbia International Arbitration Centre, except that the Arbitrator(s) shall be agreed upon by

the parties, and failing agreement by the parties, shall be appointed by a court of competent jurisdiction within the Province of British Columbia, Canada.

Arbitration will take place in the Southern Interior of British Columbia and be governed by the laws of the Province of British Columbia, Canada.

3.17 Taxes and Duties

The Contractor shall pay all government sales taxes, customs duties and excise taxes with respect to the Contract including but not limited to any GST or PST. The Contractor is required to identify any applicable tax separately on all invoices and the RDCK is liable to pay this amount to the Contractor. Where an exemption of government sales taxes, custom duties or excise taxes is applicable to the Contract by way of the Contractor filing claims for, or cooperating fully with the RDCK and the proper authorities in seeking to obtain such refunds, the procedure shall be established in a Supplementary Condition.

3.18 Staff Resources and Management

The Contractor shall, at all times during the term of the Contract, have a Supervisor charged with the responsibility of supervising the operations of the Contractor and shall maintain a local office at all times and a telephone staffed during all working hours throughout the duration of the Contract.

The Contractor shall employ properly qualified and trained equipment operators, labourers and supervisory staff for the operation of the Contract and shall make available a sufficient number of staff to complete the supply of the Services. Failure or delay in the performance of the Contract due to the Contractor's inability to obtain personnel of the number and skill required shall constitute a default of the Contract.

The Contractor shall ensure that no person will be discriminated against because of race, colour, sex, age, religion or origin. Wages and hours of labour employed shall be in accordance with all applicable federal, provincial and municipal enactments. The Contractor shall, at all times, enforce discipline and good order among their employees, and shall not employ on the Site any unfit person or anyone not skilled in the work assigned to them. Any persons employed on the Site, who become intoxicated, intemperate, disorderly, incompetent or willfully negligent, shall, at the written request of the RDCK Representative, be removed from the Site and shall not be employed again in any portion of the supply of the Services without the approval of the RDCK Representative.

3.19 Right to Audit

Upon reasonable notice the Contractor and/or any Sub-Contractors shall provide the RDCK and its internal auditors, external auditors, its regulators and such other entities/persons as the RDCK may designate, with unrestricted access at reasonable times to the data and records relating to the supply of the Services, including but not limited to the Contractor's marketing and sale of the recyclable material, the amounts charged to the RDCK by the Contractor, and the amounts of any commodity value rebates that are

payable. Such access will be provided in order to verify the accuracy of charges and invoices for the Services supplied.

3.20 Change in the Services

The RDCK, without invalidating the Contract, may make changes by altering, adding to, or deducting from the Services. The Contractor shall proceed with the supply of the Services as changed and the Services shall be supplied under the provisions of the Contract. No changes shall be undertaken by the Contractor, without written order from the RDCK, except in an emergency endangering life or property, and no claims for additional compensation shall be valid unless the change in writing was so ordered.

If such changes affect the requirements of the Contract, they will be so specified at the time of ordering the changes. The value of the addition or deduction from the Contract Price, and the method of determining such value, shall be by unit prices or combinations of unit prices as specified in Schedule 2- Pricing Schedules, or use one of more of the following methods in deciding such value:

- a) by unit prices submitted in the Quote
- b) by unit prices submitted by the Contractor and accepted by the RDCK
- c) by lump sum on the Contractor's estimate and accepted by the RDCK
- d) on a force account basis as specified hereinafter.

3.21 Contract Performance Reviews

From time to time as deemed necessary, the Manager may request that the Contractor participate in a Contract performance review. Documented performance arising from such reviews may be used as basis for alteration of the description of Services or suspension/termination of the Contract.

3.22 Rights of Waiver

A waiver of any breach of or provision of the Contract will not constitute or operate as a waiver or any other breach of any other provision, nor will any failure to enforce any provision herein operate as a waiver of such provisions or of any other provisions.

3.23 Duty of Care

The Contractor acknowledges that the RDCK, in the preparation of the Contract documents, provision of oral or written information to Bidders, review of Quotes or the carrying out of the RDCK's responsibilities under the Contract, does not owe a duty of care to the Contractor and the Contractor waives for itself and its successors, and waives the right to sue the RDCK in tort for any loss, including economic loss, damage, cost or expense arising from or connected with any error, omission or misrepresentation occurring in the preparation of the Contract documents, provision of oral or written information to Bidders, review of Quotes or the carrying out of the RDCK's responsibilities under the Contract.

3.24 Severability

All sections of the Contract are severable one from the other. Should a court of competent jurisdiction find that any one or more sections herein are void the validity of the remaining paragraphs hereof will not be affected.

3.25 Compliance with Permits, Laws and Regulations

The laws and regulations of the place where the Services are supplied shall govern.

The Contractor shall give all required notices and comply with all laws, ordinances, regulations, codes and orders of all authorities having jurisdiction relating to the supply of the Services, to preservation of public health, and to construction safety. If the Contractor observes anything in the Contract Documents to be at variance with the foregoing, they shall promptly notify the RDCK, in writing, and await the RDCK instructions. If the Contractor supplies any Services or performs any work, knowing it to be contrary to such laws, ordinances, regulations, codes or orders, and without giving notice requesting instructions from the RDCK, they shall bear all costs arising there from.

The Contractor shall, at their own expense, procure all permits, licenses and certificates required by law for the supply of the Services.

The Contractor will give all notices and obtain all the licenses and permits required to supply the Services. The Contractor will comply with all laws applicable to the supply of the Services and performance of the Contract.

3.27 Force Majeure

In the event that either party is rendered wholly or partly unable to perform its obligations hereunder as a result of an event of Force Majeure, then subject to the RDCK's right of termination under Article 3.12- RDCK's Right to Terminate, the Contract, that party will be excused from whatever performance is affected by the event of Force Majeure, to the extent so affected, provided that:

- a) the non-performing party promptly after the occurrence of the event of Force Majeure gives the other party notice describing the particulars of the occurrence;
- b) the suspension of performance is of no greater scope and of no longer duration than is required by the event of Force Majeure;
- c) the non-performing party uses reasonable commercial efforts to remedy its inability to perform; and
- d) when the non-performing party is able to resume performance of its obligations hereunder, that party will give the other party written notice thereof.

The Contractor shall provide the names of alternate Sub-Contractors for that part of the supply of the Services, each of whom must be acceptable to the RDCK.
