# EVACUATION ALERT

**Date:** May 29<sup>th</sup>, 2026

**Time:** 2300 hrs

The Regional District of Central Kootenay (RDCK) Emergency Operations Centre (EOC) has issued an Evacuation Alert due to rising water levels for all communities along the Lardeau River, Duncan River, and surrounding tributaries stretching from the northern end of Kootenay Lake to Trout Lake in Electoral Area D. This includes the communities of Cooper Creek, Meadow Creek, Marblehead, and Poplar Creek.

Weather forecasting and hydrologist assessment indicate the potential for flows in the Lardeau River to go over the banks and create areas of high water within the floodplain adjacent to the river.

Because of the potential threats to health, safety, the welfare of persons, and due to the distributed nature of the area, this Evacuation Alert is issued to include all areas indicated on the Evacuation Map, as well as the following addresses:
