Victoria, B.C. V8W 9T1

Dear Sir or Madam:

**RE: FILING UNDER THE FINANCIAL INFORMATION ACT STATEMENT OF FINANCIAL INFORMATION**

On June 18th, 2026, the Board passed the following motion:

*"The Schedule and Statement of Financial Information for the Fiscal Year Ended December 31, 2025, having been received, be approved for release in accordance with the Financial Information Act, with a copy to be filed with the Ministry of Community, Sport and Cultural Development."*

Enclosed are the following documents as required under the Financial Information Act in draft format until Board approval:

- Statement of Financial Information Approval;
- Schedule and Statement of Financial Information for the year ended December 31, 2025;
- Financial Information Regulation – Schedule 1 – Checklist – Statement of Financial Information (SOFI)

Please contact me if you require any further information.

Sincerely,

Yev Malloff, CPA, CMA  
Chief Financial Officer

## Management's Responsibility for Financial Reporting

---

The accompanying financial statements of the Regional District of Central Kootenay (the "Regional District") are the responsibility of management and have been approved by the Board of Directors of the Regional District.

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The Regional District of Central Kootenay maintains systems of internal accounting and administrative controls of reasonable quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Regional District's assets are appropriately accounted for and adequately safeguarded.

The Regional District of Central Kootenay is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

The Board of Directors review the Regional District's financial statements and recommend their approval. The Board of Directors meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the financial statements and the external auditor's report. The Board of Directors take this information into consideration when approving the financial statements for issuance to the taxpayers. The Board of Directors also appoint the engagement of the external auditors.

The financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the taxpayers. BDO Canada LLP has full access to the Board and management.

## Independent Auditor's Report

---

To the Members of the Board of Director of the Regional District of Central Kootenay

### Opinion

We have audited the financial statements of the Regional District of Central Kootenay (the "Regional District"), which comprise the statement of financial position as at December 31, 2025, and the statement of change in net debt, statement of operations, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Regional District as at December 31, 2025, and its results of its changes in net debt, operations, and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Regional District in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other Matters

We have not audited, reviewed or otherwise attempted to verify the accuracy or completeness of Schedules 1 and 2 on pages 32 and 33 of these financial statements.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Regional District's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Regional District or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Regional District's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Regional District's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Regional District's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Regional District to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Regional District of Central Kootenay

### Notes to the Financial Statements

December 31, 2025

---

#### 1. Significant Accounting Policies

**Basis of Presentation** The financial statements reflect all revenues, expenditures, assets and liabilities of the Regional District. The statements have been prepared in accordance with Canadian public sector accounting standards (PSAS), as established by the Public Sector Accounting Board (PSAB).

These statements include accounts of all the funds of the Regional District of Central Kootenay. Inter-fund transactions and balances have been eliminated. Revenues are accounted for in the period in which the transactions or events occurred that gave rise to the revenues. Expenditures are accounted for in the period the goods and services are acquired and a liability is incurred or transfers are due.

**Revenue Recognition** Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. As taxes recorded are initially based on management's best estimate of the taxes that will be received, it is possible that changes in future conditions, such as reassessments due to audits, appeals and court decisions, could result in a change in the amount of tax revenue recognized. Taxes receivable are recognized net of an allowance for anticipated uncollectible amounts.

Revenues from transactions with performance obligations are recognized when (at a point in time) or as (over a period of time) the Regional District satisfies the performance obligations, which occurs when control of the benefits associated with the promised goods or services has passed to the payor.

The Regional District recognizes revenue from users of the water, sewer, solid waste disposal, and rentals of Regional District property services on a straight-line basis over the period of time that the relevant performance obligations are satisfied by the Regional District. The Regional District recognizes revenue from administrative services, building permits, development permits, sales of goods and other licenses and permits at the point in time that the Regional District has performed the related performance obligations and control of the related benefits has passed to the payors.

Revenue from transactions without performance obligation is recognized at realizable value when the Regional District has the authority to claim or retain an inflow of economic resources received or receivable and there is a past transaction or event that gives rise to the economic resources.

The Regional District recognizes revenue from tax penalties and interest, parking ticket fines, and other revenue without associated performance obligations at the realizable value at the point in time when the Regional District is authorized to collect these revenues.

#### 1. Significant Accounting Policies (Continued)

|                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Government Transfers</b> | Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.                                                                                                                                                                                                      |
| <b>Deferred Revenue</b>     | Funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general municipal purposes are accounted for as deferred revenue on the statement of financial position. The revenue is recognized in the statement of operations in the year in which it is used for the specified purpose.                                                                                                                                                                                                                                                                                                                    |
| <b>Contaminated sites</b>   | Governments are required to accrue a liability for the costs to remediate a contaminated site. Liabilities are recognized when an environmental standard exists, contamination exceeds the standard, the government has responsibility for remediation, future economic benefits will be given up, and a reasonable estimate can be made.                                                                                                                                                                                                                                                                                                                                              |
| <b>Use of Estimates</b>     | The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Significant areas requiring estimates include the useful life of tangible capital assets for amortization, asset retirement obligations, contaminated site costs, and the provision for any contingencies. Actual results could differ from management's best estimates as additional information becomes available in the future. |

---

## Regional District of Central Kootenay

### Notes to the Financial Statements

December 31, 2025

---

#### 1. Significant Accounting Policies (continued)

##### Tangible Capital Assets

Tangible capital assets, comprised of capital assets and capital works in progress, are recorded at cost less accumulated amortization and are classified according to their functional use. Cost includes all costs directly attributed to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees, and site and preparation costs. Amortization is recorded on a straight line basis over the estimated useful life of the asset. Donated tangible assets are reported at fair value at the time of donation. Estimated useful lives are as follows:

|                                                      |                   |
|------------------------------------------------------|-------------------|
| Building and building components                     | 20 to 40 years    |
| Engineering structures (including land improvements) | 5 to 60 years     |
| Paving                                               | 15 to 40 years    |
| Operating and office equipment                       | 5 to 20 years     |
| Leasehold improvements                               | term of the lease |

Tangible capital assets are written down when conditions indicate that they no longer contribute to the Regional District's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

Contributed tangible capital assets are recorded at their fair value on the date of contribution, except in unusual circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value.

---

## Regional District of Central Kootenay

### Notes to the Financial Statements

December 31, 2025

---

#### 1. Significant Accounting Policies (continued)

##### Financial Instruments

Cash and equity instruments quoted in an active market are measured at fair value (hierarchy level one - quoted market prices). All other financial instruments, are measured at cost or amortized cost. The carrying amount of each of these financial instruments is presented on the statement of financial position

Unrealized gains and losses from changes in the fair value of financial instruments are recognized in the statement of remeasurement gains and losses. Upon settlement, the cumulative gain or loss is reclassified from the statement of remeasurement gains and losses and recognized in the statement of operations. Interest and dividends attributable to financial instruments are reported in the statement of operations.

When investment income and realized and unrealized gains and losses from changes in the fair value of financial instruments are externally restricted, the investment income and fair value changes are recognized as revenue in the period in which the resources are used for the purpose specified.

For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense.

For portfolio measurements measured at cost, the cost method records the initial investment at cost and earnings from such investments are recognized only to the extent received or receivable. When an investment is written down to recognize an impairment loss, the new carrying value is deemed to be the new cost basis for subsequent accounting purposes.

All financial assets are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations.

Transaction costs are added to the carrying value for financial instruments measured using cost or amortized cost. Transaction costs are expensed for financial instruments measured at fair value.

#### 1. Significant Accounting Policies (continued)

##### Retirement Benefits and Other Employee Benefit Plans

The Regional District's contributions due during the period to its multi-employer defined benefit plan are expensed as incurred. The costs of other pensions and other retirement benefits that accumulate over the period of service provided by employees are actuarially determined using the projected benefit method prorated on services based on management's best estimate of retirement age, inflation rates, investment returns, wage and salary escalation, insurance and health care costs trends, employee turnover and discount rates. Actuarial gains and losses are amortized on a straight-line basis over the expected average remaining service life of the employee group.

##### Asset Retirement Obligation

A liability for an asset retirement obligation is recognized when there is a legal obligation to incur retirement costs in relation to a tangible capital asset; the past transaction or event giving rise to the liability has occurred; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability is recorded at an amount that is the best estimate of the expenditure required to retire a tangible capital asset at the financial statement date. This liability is subsequently reviewed at each financial reporting date and adjusted for the passage of time and for any revisions to the timing, amount required to settle the obligation or the discount rate. Upon the initial measurement of an asset retirement obligation, a corresponding asset retirement cost is added to the carrying value of the related tangible capital asset if it is still in productive use. This cost is amortized over the useful life of the tangible capital asset. If the related tangible capital asset is unrecognized or no longer in productive use, the asset retirement costs are expensed.

##### Reserve Funds

Reserves represent amounts set aside for specific or future expenditures. Statutory reserves require the passing of a by-law to be established.

## Regional District of Central Kootenay

### Notes to Financial Statements

December 31, 2025

---

#### 5. Asset Retirement Obligation

The Regional District's asset retirement obligation consists of the following obligations:

##### a) Asbestos abatement obligation

The Regional District owns buildings that contain asbestos, which various regulations require specific considerations upon removal and disposal. The Regional District recognized an obligation relating to the removal and disposal of the asbestos in these buildings. The buildings have estimated useful lives of 35-80 years from the date of completion of construction, of which various numbers of years remain. Estimated costs of \$642,000 (2024 - \$642,000) have been discounted to the present value using a discount rate of 4.50% per annum (2024 - 4.50%).

##### b) Landfill closure and post-closure costs

The Regional District records a liability for Landfill Closure and Post Closure costs based on the presently known obligations that will be incurred over multiple closure dates and monitoring periods as various phases of the landfill are completed. The closure of the landfills is expected to occur in various years with the latest closure currently expected to be in 2085. Monitoring of the landfill will be required for 25 years after final closure. Estimated costs of \$55,272,487 (2024 - \$55,272,487) have been discounted to the present value using a discount rate of 4.50% per annum (2024 - 4.50%).

##### c) Well decommissioning obligation

The Regional District has water wells which require decommissioning at the end of their useful lives under the Water Sustainability Act. The Regional District recognized an obligation relating to the decommissioning of the wells. The wells have an estimated useful life of 60 years, of which various numbers of years remain ranging from 3 to 60. Estimated costs of \$135,000 (2024 - \$135,000) have been discounted to the present value using a discount rate of 4.50% per annum (2024 - 4.50%).

#### 5. Asset Retirement Obligation (continued)

Changes in the asset retirement obligation in the year are as follows:

| Asset Retirement Obligation | Asbestos<br>remediation | Landfill<br>closure and<br>monitoring | Well<br>decommissioning | 2025          |
|-----------------------------|-------------------------|---------------------------------------|-------------------------|---------------|
| Opening balance             | \$ 399,994              | \$ 29,983,903                         | \$ 67,523               | \$ 30,451,420 |
| Accretion                   | 18,000                  | 1,348,066                             | 3,042                   | 1,369,108     |
| Closing balance             | \$ 417,994              | \$ 31,331,969                         | \$ 70,565               | \$ 31,820,528 |

| Asset Retirement Obligation | Asbestos<br>remediation | Landfill<br>closure and<br>monitoring | Well<br>decommissioning | 2024          |
|-----------------------------|-------------------------|---------------------------------------|-------------------------|---------------|
| Opening balance             | \$ 382,769              | \$ 28,692,730                         | \$ 64,683               | \$ 29,140,182 |
| Accretion                   | 17,225                  | 1,291,173                             | 2,840                   | 1,311,238     |
| Closing balance             | \$ 399,994              | \$ 29,983,903                         | \$ 67,523               | \$ 30,451,420 |

The asset retirement liability has been estimated using a net present value technique using the assumptions as described above. The related asset retirement costs are being amortized on a straight-line basis over the remaining useful lives of the assets.

Significant estimates and assumptions are made in determining the asset retirement costs as there are numerous factors that will affect the amount ultimately payable. Those uncertainties may result in future actual expenditures that are different than the amounts currently recorded. At each reporting date, as more information and experience is obtained as it relates to these asset retirement obligations, the estimates of the timing, the undiscounted cash flows and the discount rates may change. Adjustments to these factors are accounted for as an adjustment to the asset retirement obligation and the related tangible capital asset in the current period on a prospective basis.

## Regional District of Central Kootenay

### Notes to Financial Statements

December 31, 2025

#### 6. Municipal Finance Authority Financing

MFA Debenture Debt principal is reported net of sinking fund balances, and interest expense is reported net of sinking fund earnings. Included in the debenture debt is debt that the District has incurred on behalf of its member municipalities.

|                                                                                                                     | 2025                 | 2024                 |
|---------------------------------------------------------------------------------------------------------------------|----------------------|----------------------|
| Amounts due from member municipalities (Note 5)                                                                     | \$ 21,428,107        | \$ 16,619,355        |
| Amounts owing by the Regional District, maturing between 2026 and 2050, with interest rates between 3.03% and 4.13% | 31,364,207           | 30,187,440           |
| Debenture debt outstanding in Canadian funds                                                                        | <u>\$ 52,792,314</u> | <u>\$ 46,806,795</u> |

The debenture debt and short term financing bears various interest rates set at the time of borrowing and adjusted on the 10th anniversary if applicable; debt has varying maturity dates. The Regional District's short term financing amount is \$2,619,116 (2024 - \$4,125,700) with interest rates between 2.80% and 4.25%.

The estimated principal payments required until maturity, on the Regional District's portion of debenture debt, are as follows:

|                                   |                      |
|-----------------------------------|----------------------|
| 2026                              | \$ 1,086,358         |
| 2027                              | 1,025,883            |
| 2028                              | 1,025,883            |
| 2029                              | 1,020,255            |
| 2030                              | 1,020,255            |
| Thereafter and actuarial earnings | <u>47,613,680</u>    |
|                                   | <u>\$ 52,792,314</u> |

#### 7. Equipment Financing Loans - Municipal Finance Authority

Equipment financing is repayable to Municipal Finance Authority and bears interest at 3.31% per annum and mature in periods 2026 to 2030.

The Regional District's cash payments for interest in 2025 were \$62,203 (2024 - \$104,055).

The estimated principal payments required until maturity, on the equipment financing debt, are as follows:

|      |                     |
|------|---------------------|
| 2026 | \$ 656,802          |
| 2027 | 355,429             |
| 2028 | 265,328             |
| 2029 | <u>96,109</u>       |
|      | <u>\$ 1,373,668</u> |

### Notes to the Financial Statements

December 31, 2025

#### 10. Debt Reserve Funds - Municipal Finance Authority

The District and its member municipalities issues its debt instruments through the Municipal Finance Authority. As a condition of these borrowings a portion of the debenture borrowings is withheld by the Municipal Finance Authority as a debt reserve fund. The District also executes demand notes in connection with each debenture whereby the District may be required to loan certain amounts to the Municipal Finance Authority. These demand notes are contingent in nature. Upon maturity of a debt issue, the unused portion of the Debt Reserve Fund established for that issue will be discharged to the Regional District or the Municipality. The proceeds from these discharges will be credited to income in the year they are received. These amounts are not included in the Regional District's financial statements. The details of the cash deposits and demand note requirements at year end are as follows:

|                                    | Cash Deposits | Demand Note<br>Requirement | 2025         | 2024         |
|------------------------------------|---------------|----------------------------|--------------|--------------|
| Balance, beginning of year         | \$ 1,300,592  | \$ 2,092,582               | \$ 3,393,174 | \$ 3,260,278 |
| Add: Interest earnings             | 139,069       | 5,636                      | 144,705      | 132,896      |
| Deduct: Payouts on debt retirement | (149,933)     | -                          | (149,933)    | -            |
| Balance, end of year               | 1,289,728     | 2,098,218                  | 3,387,946    | 3,393,174    |
| Member municipalities portion      | 415,364       | 706,599                    | 1,121,963    | 1,277,840    |
| Regional District's portion        | 874,364       | 1,391,619                  | 2,265,983    | 2,115,334    |
|                                    | \$ 1,289,728  | \$ 2,098,218               | \$ 3,387,946 | \$ 3,393,174 |

#### 11. Municipal Pension Plan

The Regional District of Central Kootenay and its employees contribute to the Municipal Pension Plan (a jointly trustee pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2024, the plan has about 273,000 active members and approximately 133,000 retired members. Active members include approximately 47,000 contributors from local governments.

Every three years an actuarial valuation is performed to assess the financial position of the plan and the adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2024, indicated a \$2,675 million funding surplus for basic pension benefits on a going concern basis.

The Regional District of Central Kootenay paid \$1,567,849 (2024 - \$1,383,864) for employer contributions to the plan in fiscal year 2025.

The next valuation will be as at December 31, 2027.

Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets, and cost to the individual employers participating in the plan.

#### 12. Accumulated Surplus

The Regional District segregates its accumulated surplus in the following categories:

|                                   | 2025                  | 2024                  |
|-----------------------------------|-----------------------|-----------------------|
| Unrestricted                      | \$ 9,866,761          | \$ 10,953,531         |
| Restricted (Note 13)              | 51,836,300            | 46,606,279            |
| Equity in tangible capital assets | 61,375,658            | 58,388,478            |
|                                   | <u>\$ 123,078,719</u> | <u>\$ 115,948,288</u> |

The investment in tangible capital assets represents amounts already spent and invested in infrastructure and other non-financial assets.

Reserve funds represent funds set aside by bylaw or Board resolution for specific purposes.

---

#### 13. Restricted Reserve Funds

The District has several reserve funds held for specific purposes. The changes in these funds were as follows:

|                                 | 2025                 | 2024                 |
|---------------------------------|----------------------|----------------------|
| Fund Balance, beginning of year | \$ 46,606,279        | \$ 43,779,341        |
| Add: Interest Earnings          | 1,335,178            | 1,613,224            |
| Contributions to reserves       | 12,471,911           | 9,918,839            |
| Transfers out of reserves       | (8,577,068)          | (8,705,125)          |
| Fund balance, end of year       | <u>\$ 51,836,300</u> | <u>\$ 46,606,279</u> |

#### 14. Liability for Contaminated Site - HB Mines

The Regional District, as the current property owner, has responsibility for the remediation and post-remediation monitoring and maintenance costs of a contaminated site (HB mine tailings dam) in accordance with the BC Environmental Management Act. The property is a contaminated site on the provincial contaminated site registry. Contaminated sites are a result of contamination being introduced to air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds the maximum acceptable concentrations under an environmental standard. The accrual as at December 31, 2025 represents management's best estimate at the financial statement date and has been quantified by an environmental consultant. The District concluded the remediation project in 2022 and thus the remaining accrual is for post-remediation monitoring and maintenance costs.

|                                                             |           |
|-------------------------------------------------------------|-----------|
| Remediation and post-remediation monitoring period in years | 100       |
| Projected year of final post remediation monitoring costs   | 2124      |
| Discount rate                                               | 3.0%      |
| Total undiscounted remediation and post-remediation costs   | 9,204,360 |

|                            | 2025         | 2024         |
|----------------------------|--------------|--------------|
| Post remediation liability | \$ 3,659,627 | \$ 3,659,627 |

---

#### 15. Liability for Nelson Transfer Station Closure

The Regional District is responsible for the closure of the Nelson transfer station to industrial land standards in accordance with the landfill legislation with the Ministry of Environment. The property is a contaminated site on the provincial contaminated site registry. The accrual as at December 31, 2025 represents management's best estimate at the financial statement date. The amount has been estimated by an environmental scientist. A more detailed analysis of costs was performed in 2025. The Regional District plans to commence the project in 2027. The total remediation liability in 2025 was \$740,000 (2024 - 740,000).

## Regional District of Central Kootenay

### Notes to the Financial Statements

December 31, 2025

---

#### 16. Commitments

In the normal course of business, the Regional District enters into commitments for both capital and operational expenses, for periods ranging from one to five years. These commitments have been budgeted for within the appropriate annual budgets approved by the Board of Directors.

The total minimum future payments are as follows:

|      |                   |
|------|-------------------|
| 2026 | \$ 214,929        |
| 2027 | 202,016           |
| 2028 | 136,847           |
|      | <u>\$ 553,792</u> |

---

#### 17. Financial Plan

The budgeted figures are based on the adopted Five-Year Financial Plan for the year 2025 approved under bylaw 3023 on March 20, 2025.

The Financial Plan Bylaw anticipated use of surpluses accumulated in previous years to balance against current year expenditures in excess of current year revenues. The Financial Plan was not budgeted in a manner consistent with PSAS, but has been adjusted in the financial statements to conform with PSAS requirements.

|                                                          | <u>2025</u>         |
|----------------------------------------------------------|---------------------|
| Financial Plan (Budget) Bylaw surplus for the year       | \$ -                |
| Add:                                                     |                     |
| Capital expenditures                                     | 22,929,564          |
| Long-term debt principal payments                        | 1,622,448           |
| Equipment financing principal repayments                 | 966,064             |
| Short-Term debt principal repayments                     | 1,602,064           |
| Less:                                                    |                     |
| Borrowing                                                | (6,032,817)         |
| Proceeds from asset disposal                             | (245,000)           |
| Transfers to/from reserves and own funds                 | <u>(13,843,561)</u> |
| Financial Plan Bylaw surplus per statement of operations | <u>\$ 6,998,762</u> |

## Regional District of Central Kootenay

### Notes to the Financial Statements

December 31, 2025

---

#### 18. Contingent Liabilities

The Regional District is a participant in the Municipal Insurance Association of British Columbia. Should the Association pay out claims in excess of premiums received, it is possible the Regional District, along with other participants, would be required to contribute towards the deficit.

From time to time the Regional District is brought forth as a defendant in various lawsuits. The Regional District reviews its exposure to any potential litigation for which it would not be covered by insurance and assesses whether a successful claim against the District would materially affect the financial statements of the District. The Regional District reserves a portion of its operating surplus for future payment of insurance deductibles and payment of claims for which it would not be covered by insurance. The Regional District is currently not aware of any claims brought against it that if not defended successfully would result in a material change to the financial statements of the District.

---

#### 19. Financial instruments

##### Financial Instrument Risk Management

The Regional District is exposed to credit risk, liquidity risk, and interest rate risk from its financial instruments. This note describes the Regional District's objectives, policies, and processes for managing those risks and the methods used to measure them. Further qualitative and quantitative information in respect of these risks is presented below and throughout these financial statements.

There have not been any changes from the prior year in the Regional District's exposure to above risks or the policies, procedures and methods it uses to manage and measure the risks.

##### Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Regional District is exposed to credit risk through its cash, accounts receivable, and portfolio investments. The risk exposure is limited to their carrying amounts at the date of the consolidated statement of financial position.

The Regional District manages its credit risk by the use of credit applications, monitoring accounts receivable aging and balances, holding cash with Schedule 1 Chartered Banks with AA credit Rating or fully insured Credit Union accounts, diversifying investment holdings by maturity and issuer and making investments in accordance with section 183 of the Community Charter and processing borrowing from Member Municipalities by the policies put in place by the Municipal Finance Authority of BC. The maximum exposure to credit risk at the financial statement date is the carrying value of its cash, accounts receivable and investments as outlined in Notes 2, 4 & 10. Accounts receivable arise primarily as a result of resource recovery fees, water utility fees and government receivable. Based on this knowledge, credit risk of cash, accounts receivable and investments are assessed as low.

---

## Regional District of Central Kootenay

### Notes to the Financial Statements

December 31, 2025

---

#### 19. Financial instruments (continued)

##### Liquidity risk

Liquidity risk is the risk that the Regional District will encounter difficulty in meeting obligations associated with financial liabilities. The Regional District is exposed to liquidity risk through its accounts payable, long-term debt, and investments.

The Regional District manages this risk by maintaining an adequate balance of highly liquid investments, closely monitoring cash flows, having access to temporary borrowing through an annual bylaw and staggering the maturity dates of investments. Also to help manage and measure this risk, the Regional District has in place a planning, budgeting and forecasting process to help determine the funds required to support normal operating activities, capital expenditures, reserve contributions and debt servicing requirements. The Regional District's five-year financial plan is approved by the Board of Directors.

##### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Regional District is exposed to interest rate risk through the value of long-term debt and portfolio investments.

It is management's opinion that the Regional District is not exposed to significant interest rate risk as it manages interest rate risk on its long-term debt by holding all debt through MFA at a fixed rate, with refinancing typically being completed at the ten- or fifteen-year mark. Therefore, fluctuations in market interest rates would not impact future cash flows and operations relating to long-term debt. See Note 6 & 7 for interest rates and maturity dates for long term debt.

Investments that are subject to interest rate risk are MFA pooled investment funds and GIC's (see note 2). The risk is caused by changes in interest rates. As interest rates rise, the fair value of the MFA pooled investment funds notes decrease and, as interest rates fall, the fair value of these investments increase.

As a result of diversification by security type, only a portion of the overall investment portfolio is exposed to interest rate risk per note 2. To mitigate interest rate risk and market risk on its portfolio investments, the Regional District holds its MFA long term pooled investment funds for 10 years or longer.

---

#### 20. Comparative Figures

Certain of the comparative figures have been restated to conform with the current year financial statement presentation.

#### 21. Segmented Information

The Regional District of Central Kootenay is a diversified regional district government institution that provides a wide range of over 180 operational and administrative services for its citizens. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segments and the activities they encompass are as follows:

##### **General government**

General government operations include the functions of governance, general and corporate administration, finance, human resources, information technology, legislative services, and building services.

##### **Protective services**

Protective services includes fire protection, fire rescue, 911 services, emergency program management, emergency operations centre management and bylaw enforcement. The mandate of emergency program management is to protect public safety through mitigation, emergency preparedness, emergency response and recovery.

##### **Transportation services**

Transportation services includes the rural transit and paratransit services as well as custom transit that carry persons who are unable to access the conventional transit system. This segment also includes funding for airport operations.

##### **Recreation, parks, and culture**

Recreation, parks, and culture includes the delivery of recreation programs and services, management of recreation facilities, development & management of parks and the funding of various community organizations including museums, libraries and community centres.

##### **Grants**

A multitude of grant programs are managed through the application, board approval, payment, tracking and reporting process. These include discretionary, community development, Community Works and Columbia Basin Trust Resident Directed grant programs.

##### **Waste disposal and resource recovery**

Waste disposal and resource recovery services include waste handling facilities (transfer stations and landfills), composting facilities, community recycling depots, materials recovery, transportation of materials and environmental education.

##### **Planning, development, and sustainability**

Planning and development includes the administration of zoning, land use and development applications. The department is also involved in the development of long-term community plans which focus on the future vision and objectives of communities within the rural electoral areas of the Regional District. Sustainability includes initiatives to reduce greenhouse gases, increase renewable energy, increase local food production, support water conservation and source water protection, increase active transportation and increase affordable housing.

---

## Regional District of Central Kootenay

### Notes to the Financial Statements

December 31, 2025

---

#### 21. Segmented Information (continued)

##### **Economic development**

This segment includes projects and initiatives with multiple stakeholders to pursue opportunities for economic development, enhance capacity-building for sustainable economic growth and diversification, and create more resilient, prosperous communities across the region.

##### **Water, utilities and lighting**

This segment includes the treatment and distribution of potable water as well as providing street lighting for various communities and locations in the region.

The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1.

The segmented amounts do not include inter-service transfers, debt proceeds and repayments, capital expenditures and reserve transfers and contributions. Amortization has been added to the segmented amounts.

The Growing Communities Fund (GCF) provided a one time grant to the Regional District to support local government to deliver infrastructure projects necessary to enable community growth and address infrastructure and amenities demands. Local governments are required to annually report about how GCF grants were spent to ensure transparency regarding the use of those funds. The grant is being carried forward to 2025 to be used for eligible infrastructure projects.
