**ORDER OF AGENDA
CHANGED**

The order of Business was changed at this time due to the Kootenay Lake Chamber of Commerce not being able to attend, with Item 6.1 Kootenay Lake Geothermal Update considered at this time.

6. OLD BUSINESS

6.1 Kootenay Lake Geothermal Update

Since the Commission last met, plans have been in place to do the airborne survey for the Kootenay Lake Geothermal project. The survey was completed quickly and effectively. Data that was collected went smoothly with one day of flying. The powerline in Riondel had a disruptive effect on the data collected. Features are evident, and information will be coming to this Commission once data integration and interpretation are complete, including a full 3D model if there is sufficient funding remaining. This will guide the next steps of the project going forward. There are going to be focus groups organized to take place in the fall.

5. NEW BUSINESS

5.1 Kootenay Lake Chamber of Commerce

This item will be added to the July 7, 2026 Area A Economic Development Commission agenda.
