Boil Water Notice Rescinded for the West Robson Water System

Nelson, BC: Effective immediately, the Regional District of Central Kootenay (RDCK) is pleased to announce the Boil Water Notice issued for users on the West Robson Water System has been rescinded.

On June 22, 2026 a Boil Water Notice was issued as a precautionary measure due to planned construction requiring depressurization of the water main.

Construction involving the water mains has been completed, and water quality tests indicate that the water quality is good.

The RDCK appreciates West Robson water users' cooperation and patience during this time and apologizes for the inconvenience experienced.

Incorporated in 1965, the Regional District of Central Kootenay (RDCK) is a local government that serves 60,000 residents in 11 electoral areas and nine member municipalities. The RDCK provides more than 160 services, including community facilities, fire protection and emergency services, grants, planning and land use, regional parks, resource recovery and handling, transit, water services and much more. For more information about the RDCK, visit www.rdck.ca.
