

Water Conservation Measures Stage 2 - Woodland Heights

Issued: **Jul 21 2026 10:44AM PDT** by **Regional District Central Kootenay**

Locations: **RDCK**

Effective immediately, mandatory Stage 2 Water Conservation Measures are being implemented in the Woodland Heights Water System due to high water consumption resulting in continuous operation of the well pump and reduced reservoir levels. These mandatory measures are designed to support long-term sustainability, manage costs, and maintain system resilience during periods of high demand.

Instructions

Water Conservation Measures for **Stage 2** include:

- Watering of lawns, gardens, trees and shrubs is **ONLY** permitted between 6:00 am-10:00 am and 8:00 pm-10:00 pm.
- Watering of gardens, trees and shrubs by watering can or hand-held hose is still permitted anytime.

For a complete list of water conservation measures, visit rdck.ca/water.

Additional Information

The Regional District of Central Kootenay appreciates your cooperation in adhering to the Water Conservation Measures. Stage 2 Measures will remain in effect until further notice. Stricter Water Conservation Measures may be implemented if water demand increases significantly or if prolonged hot and dry weather continues. For more information, visit rdck.ca/water or contact the RDCK Water Services team at 250-352-8161 or 1-800-268-7325 ext. 8161.
