Welcome

(3:30 – 3:40)

Round Table: Individual Updates

(3:40 – 4:00)

Members are invited to share brief updates on personal progress in the last months on rural mobility-related work.

RMCAC Brief Project Updates

(4:00 – 4:15)

RDCK staff will share brief updates on some of the RMCAC's ongoing projects and investigations.

- Alternative Transit Model Study – Scope overview & update
- New Denver – Silverton Corridor study – progress update

Community Transportation Service Network – Project Update

(4:15 – 4:30)

Alongside a team of consultants, Community Service Societies from across the region have been working together to understand what a shared transportation service network could look like and what it would take to operate a network like this using a shared booking/rideshare platform. The consultants leading Phase 1 of investigations and planning for the network will be presenting their work and progress so far and discussing upcoming actions and timelines for the project.

This will be followed by an open discussion and opportunity for the RMCAC members to provide input and feedback to staff.

Kootenay Rideshare Modernization – Project Update

(4:30 – 4:45)

Kootenay Carshare has teamed up with a couple of consultants to revive the Kootenay Rideshare platform, including an updated platform model, improved user safety features, and a sustainable long-term platform governance model. Kootenay Carshare and the team of consultants will be presenting their efforts and progress made so far on the project.

This will be followed by an open discussion and opportunity for the RMCAC members to provide input and feedback to staff.

Open Discussions

(4:45 – 5:15)

An open round of discussion will be held to for any remaining inquiries on the two presented project updates or other RMCAC items.

Closing Circle and Next Steps

(5:15 – 5:30)

Group will confirm next meeting time and date and any key, voluntary next steps and follow-ups for members.
